Klark-Urban Co.

It would be hard to find a repertoire company presenting a line of plays equal to those given by the Klark-Urban Company, which will appear at the Casino Theatre for a limited engagement, commencing next Monday evening. Some of the similar attractions have one or two bills that are featured, but Klark and Urban believe that every play should be equally powerful and that each and every one should be a decided drawing power in itself. It is not the aim of the management to open with one particularly attractive play and then follow up a good impression with a series of unpalatable presentations. The opening bill for Monday and Tuesday evenings will be the great New York success, by George Broadhurst, entitled, "The Man of the Hour," with "Raffles," "The Sign of the Four," "Wildfire," "Dairy Farm," "Northern Lights," "The Golden Rule" and "The Easterner" to follow during the engagement. Seats on sale at the Atlantic Bookstore Friday morning.

Last Night's Concert.

The concert given at Canon Wood Hall last night under the direction of Mr. H. M. Sterling was successful notwithstanding that a heavy rain and windstorm prevailed, the house held a goodly audience and for two hours and a half all present enjoyed themselves. The choir and soloists were in good form and the singing was excellent. Vocal numbers were given by Misses D'Alberti, Alice Butler, Jean Strang, D. Johnson and Frank Seymour. Misses Doyle and Keegan in their recitations proved themselves to be proficient elocutionists. Miss Pitman gave a splendid pianoforte selection and Mr. Penman's clear notes on the flute entranced all present. Mr. Arthur Bulley's solo on the French Horn won him well deserved applause and Mr. Alec Mews performance on the violacello was applauded heartily. A trio, French Horn, flute and piano, by Messrs. Penman, Bulley and Crocker, was the piece de resistance of the evening. The proceeds were liberal and will be donated to St. Thomas Church fund.

Kicked by Horse.

HAD COLLAR BONE BROKEN.
Yesterday afternoon a little boy named Kavanagh, son of Mr. Jonas Kavanagh, aged 8 years, was playing in Deady's Meadow at the rear of his home, he started to beat a horse with a switch on the flanks. The boy was quite near the animal when suddenly it let out with its hind legs and hit him full in the chest, throwing him several yards away and knocking all the breath out of him, when he recovered his companions brought him home. An examination proved that his collar bone was broken and that he was badly bruised about the chest. Had the hoofs taken him in the face or head the boy would have been instantly killed.

Still Another Man Missing

Yesterday we referred to the fact that Leonard Chafe of the Reid NBD Coy. was missing from Bishop Falls, and that fears for his safety were entertained. To-day we learn that Mr. Thos. Nangle of the West End, a man over 50 years of age has been missing from his home since the middle of last week and has not yet returned. Only last night was the fact made known to the police, though the man who is unmarried has many friends in St. John's. These are much concerned over his disappearance and fear that he might have fallen overboard and been drowned.

Getting Bowring Park Ready.

At Rae Island some 70 or 80 men are now at work putting the Bowring Park in order. They are working under the direction of a landscape artist and when they are finished the park will certainly be a beautiful spot for the public to visit next summer. Mayor Ellis and the Premier visited the place yesterday and next week all the Councilors with the City representatives will go there to inspect the improvements being made.

Heavy Storm.

Again last evening the wind veered into the S. E. and about 6.30 blew a gale. Rain began to descend in torrents and did not cease till 11 o'clock when there was a clear up for about an hour. Then it began again and though it was very calm heavy showers fell all night. The Council had their men out clearing drains and gullies and some of the streets are badly damaged as a result of the downpour.
