**A Panic Opportunity.**  
Rothschild once said that the foundation for his fortune was laid by buying at panic prices and holding for the resultant rise.  
Many securities listed on the New York Stock Exchange have not sold so low since the panic of 1907.  
The following stocks at closing prices of July 30, besides giving a good income yield, afford an excellent opportunity for future profit.

**The Eastern Trust Company!**  
Pitts Building, Water Street, St. John's.  
Dear Sir,  
We beg to draw your attention to the advantages offered, both in the way of security and privacy, by our Safety Deposit system which has recently been installed in our vault. The system is the most modern and complete that is known, and is deposited in a vault of exceptional strength and safety. The boxes are individual and can only be opened with the joint aid of the key in the possession of the Company and of that in the custody of the customer. They are of solid metal and are arranged in nests of fifty, so that no box can be removed from the vault separately from the rest.  
The boxes are rented at \$4.00, \$5.00 up to \$20.00 a year, according to size.  
An inspection of the installation is invited.
