A GALLON of good Paint used at the right time has saved many of our customers a repair bill, or perhaps even rebuilding.

It isn't that a man doesn't know about it, but in the stress of the day's work one is apt to forget.

So we make it a point to remind our customers from time to time that we carry full lines of Paint for homes and general farm and out-buildings—and also inside Paints.

Speaking of assortments—we just want to remind you that you will find our stocks in all lines, right to your satisfaction.

When your boy gets ready for his rifle—send him or bring him to us. We'll see that he gets started right—the REMINGTON-UMC .22 Caliber Rifle that fits him, Repeating or Single Shot. And the right .22 Cartridges to go with it—REMINGTON-UMC.
