"Considering that Morrington bicycle skidded, just as I expected, and is 50 miles from here at the very least, sitting in the mud, looking at her machine with a rueful face.

assistance, while the pink of her

"There is a warning to bicyclists at the top of the hill," I said, stopping to take the bicycle by the lamp rest, which was the only part I could see un- screw-key, and he found the notes, and for tea at a wayside cottage under a spotted by mud. "It is too late to tell me that now,"

she said. "Nobody with any sense ever gets off for a 'Warning to Cyclists.' The tone showed me that further reproach would be unwise.

She turned half round to gaze anxiously up the hill. "He can't be coming yet," she mur-

An unwarrantable feeling of disappointment chilled me for a moment. now-er-thank you very much. I will bery, with possible violence on the high to have grown older and more sedate walk down the rest of the hill."
"It would be wiser." I turned to "It would be wiser." I turned to hide a smile. "I will wheel your bicycle light," said Letitia, quickly. Remember, the money is mine! It isn't rob-

if you will allow me."

She looked at me for an instant before replying, but after a short scrutiny her face cleared. Thank you very much," she said.

She was about eighteen and charmingly pretty. I felt at all costs I must more about her. "Wouldn't it be better if we sat

down and waited for him?" I asked The girl looked at me with eyes full "Wait?" she cried. "Good heavens,

no! Why, I should have to go straight back home if we did." At the next turn she looked back. As she did so I stooped, with the pre tense of clearing the mud from the brake of her bicycle, and drove a pin right through the front tire.

"I'm afraid you've punctured your tire," I said gravely. The look of despair in those gray eyes filled me with a sudden remorse for the deed I had "I haven't got an outfit," she cried.

"Perhaps you have, though?" "No." I answered, untruthfully, hoping she would never see the contents

of my saddlebag.

The gray eyes filled with tears, and I felt that I had behaved like a beastly me all about it, I don't see how I can inspiration, "It is knight-errantry."

"It is Uncle George who is coming,

passes on the journey is as beautiful as any in England. There is also another point. The people of the potteries assert that the dangers arising from working at the pottery trade are much exaggerated. I was careful as to the examining of this point, and I went to see the representatives of the men about it. They agreed with the masters as to the over-statement of the dangers of the trade by outside people. And there was another thing that struck me. There seemed to be hardly any friction between the workers and the employers. It may have been that I had chanced upon a peaceful era, but what-Mr. Jacob Jamieson, Jamieson Bros., ever the cause, the fact remained. The pottery towns are Tunstall to the the well-known Contractors and Builders. Letitia's color rose again.

TIS A MARVELOUS THING.-When the cures effected by Dr. Thomas' Eclectric Oil are considered, the speedy and permanent relief it has brought to the suffering wherever it has been used, it must be regarded as a marvelous tai that so potent a medicine should result from the six simple ingredients which enter into its composition. A trial will

The world laughs sardonically when the man with the imposing front elevation speaks of his delicate appetite MINARD'S LINIMENT IS USED BY PHYSICIANS.

The Anaemic Young Girl. Perhaps she is sixteen. Suddenly she eems to lose strength, her beauty fades because her strength fails, her eyes lose their luster. How her spirit droops! It alarms you, but all this may be corrected quickly. Get her Ferrozone: it is a nerve tonic; it aids the stomach to do its work. Appetite? She'll eat anything the forest it to be forest in the stomach to do its work. Appetite? She'll eat anything the forest it to be forest in the fores

and digest it, too. Ferrozone is an ab lute specific for the anaemia of you people. Ask your druggist for it. Mr. Davis, the American, who has expended considerable sums in exploring works near Thebes, Egypt, has found DENNIS WIRE & IRON CO., King

a splendid chariot in the tomb of King Monkey Brand Soan makes copper like NORTHERN LIFE, Masonie Temple. gold, tin like silver, crockery like mathle, LUMBER BOXES.

Watching a Spider at Work. Watch a spider spin his web, and I shall plan with workmanlike precision. Under the new Illinois law against ing, but also spinning the material for it, all in that mite of a body. But perhaps the uncannies, feature of the whole
