ABSORPTION OF GREAT NORTHERN

Reported in Montreal That Mackenzie & Mann Have Secured Control of the Stock.

Montreal, Feb. 23. — A dispatch from Quebec says the Great Northern deal has been closed. Mr. Mann arrived in Quebec on Thursday with Mr. Z. A. Lash, of Toronto. They met Mr. H. H. Melville, of Boston, second vice-president of the Great Northern. It is said that Mr. Mann has acquired for Mackenzie & Mann a controlling interest in the stock, including \$100,000 owned by the first vice-president, Col. McNaught, of Boston, and a considerable portion of the railway's lands.

A STATEMENT.
Quebec, Feb. 23. — With regard to the reported action by which, according to a city newspaper, Mackenzie & Mann, of Toronto, will obtain control of the Great Northern Railway, a prominent official of the company has given the following statement: "The proposition of Messrs. Mackenzie & Mann has been under consideration for some time, and with the knowledge of all the directors of the company. The transaction has not yet been closed, but it is hoped that it will be closed, as it will be very much to the advantage of the company and city of Quebec that so large a business as that of Mackenzie & Mann should be brought to this port for shipment. The nature of the transaction is that Mackenzie & Mann acquire a certain share in the stock of the company and have a representative on the board of directors. With this exception the present organization of the company and of its officers will not be decreased, and the head office and management and present staff of operation will remain, as heretofore, at Quebec. Messrs. Mackenzie & Mann and Messrs. McNaughton and Melville are about equal owners in the stock of the company, and neither of them has disposed of his interest."
