A Former Toronto Diamond Merchant Fighting For His Countrymen in Belgium.

ON FIRING LINE OFTEN

Remnant of King Albert's Army Enthusiastic.

"Our 'piottes' (which is the Belgian sisters, who resides in Canada.

Enjoying a Rest. "We are enjoying a few days' rest after leaving the trenches at Ramsca-7th 'Regiment de ligne,' especially has bylaw.

Enthusiasm Great. "The enthusiasm among our men was of Louvain, but really, dear sister, we were greatly outnumbered. The German artillery was much too strong. We fought fifteen days there from one trench to another. Near Malines I had the pleasure of shooting down my first German. I was commanding my platoon, because we had lost all our officers, and the men chose me. Finally our division, after having protected the retreat of the whole Belgian army crossed the Scheldt and witnessed the horrible sight of our dearly beloved city of Antwerp

being bombarded and in flames. Dropped Tears. "Most of us all Antwerp men dropped many a tear, but this was no time for We marched from that sentiment. Thursday night until Saturday noon, practically without a stop, about 80 granted. kilometers, and I assure you that it was no fun with our knapsacks on our backs. We were really demoralized, but still lived in hopes. Finally we arrived in Eccloo, worn out, but, through the splendid tactics of our general, managed to escape from the grip of 150,000 Germans. We arrived then at Furnes, where we had one day's rest, and then immediately went to take a position on the Yser. None of us thought for a minute that it was going to be the beginning of one of the most famous battles in history,

now called 'Flanders. Germans Beaten. "We started building up trenches on the border of the river and there reduced army took up our position. We were supposed to be in the trenches 48 hours, so as to allow the allies to come up and prevent the German advance on Dunkirk and Calais. Instead, howwe were compelled to stay there completely beaten, and there at places Nieuport, St. Georges, Ramscapelle and Dixmude we did not only check

them, but beat them, Daring Fellow. "I even witnessed one of our young sergeants standing up on the trenches front. and calling the Germans 'schweinenfleisch.' He would also put his cap on his stick and immediately you would see a score of bullets go through it. The Berlin last week that the Russian ad- cent years. fellow, however, was, unlucky, as ne was killed on the fifth day. We must recognize that the British navy did splendid work near Nieuport. wonder 'ul soldiers the British are! Our soldie's have a veneration for them Now we see who are our real friends. We are very friendly with the French, but a Belgian soldier would give everything for a British 'Tommy.' bit of luck and I hope it will continue.

Helmet Smashed. by a piece of shell, and also a bullet through my coat and trousers, but the "I have had my helmet smashed up bullets I have heard over my head and to garret. shoulders I cannot count. Naturally, we taken out of Mrs. Read's purse. In the sorry to say that I have lost many of ing, which consisted of a number of comrades. One of them, Van Der pies and other dainties, were con-Stuhken, was killed while performing sumed. the same work which we as cyclists have | Chief County Constable Ben Water to do. We have to bring orders to the worth and the detective department trenches or anywhere else on the firing have been notified, and they are now We get on splendidly and sometimes have really good fun.

HADLEY'S MURDER STIRS UP BRITAIN

Captain Nicolay's Act Likened To That Notorious Zabern Incident.

BLAMED ON MILITARISM

Press Sees Same Spirit in All Germans' Awful Outrages.

[Canadian Press.] London, April 19 .- Of the smaller incidents of the war none has stirred British feeling so deeply as what Si Edward Grey calls the "murder" of young Hadley, by Captain Nicolay, a German officer, on a train from Berlin Apparently some members of the German Government were ashamed o the facts, for although Hadley was shot on August 31, neither his relatives nor the British authorities were able to obtain any particulars until

November

"It is Zahern all over again," says the Westminster Gazette, which goes on: "It is quite true that the German people were a good deal agitated over the Zabern incident, but it ended in a complete victory for Prussian militarism. We see, too, how in a wider sphere this, 'in-order-to-be-first' doctrine is acted upon with most lamentable consequences.

Same Ideas. "When last August Russia gave the order for mobilization, Germany declared war in order to be the first, and Lieutenant, now Captain Nicolay, tion of the building bylaw relating to in order to be first, just as at Zabern shingle roofs led to the appearance ba- Von Forstner wounded the lame cobfore the board of two young men, who bler because, as the military court,
