of deep sorrow. The Pall Mall Gazette enlogizes Raymond as a publisher and journalist. It says the death creates a gap that cannot be filled. In the House of Commons this evening, Sir John Gray, member for Kilken- judges, on the grounds that they had ny, asked the Government if there was any been unlawfully committed. The Parreason to apprehend further troubles in Ireland and if the military force in that country cil. was to be strengthened. Fortescae, Chief Secretary for Ireland, stat d that the Government was informed that Mr Johnson, a prominent Orange leader to Ireland had called a meeting to celebrate the anniversary of the 12th of July. This was not an act of hos- dates to the 7th. The session of the tility to government, but the practice of in-creasing the military force in Ireland about the time of this auniversary was never more necessary than in the present year. In the House of Lords to night, Earl Gray gave notice that he would move to omit from the Irish Church Bill that portion of the preamble which provides that the property or pro-ceeds of said Church shall not be held, nor applied for the maintenance of any church or clergy or other ministers, or for teaching re-

London, June 22-The Royal Thames Yacht Club Regatta came off to-day. The PORTLAND, June 22.—At the city course was from the Nore to Dover. Twelve election, yesterday, the entire Repubyachts sailed, starting at 35 minute won the first prize, £1000; the Egeria the

Five thousand emigrants left Liverpool during the week ending Saturday, for different ports in America. Charles Napier Stuart, member o Par-

liament for Dorchester, died last evening. Ishmael Pasha, Vicercy of Egypt, arrived at London to-day, as the guest of the Queen at Buckingham Palace, which has been fitted up to- his residence, a series of brilliant fetes have been arranged in his honor. The Vicercy was met at the railway by the Prince of Wales, and escorted to Buckingham Palace. Immense crowds of peop e led the way and repeatedly cheered the son of the late King of Abyssicis, who has been at school here.

The Star of to day says the U. S. Govern-

In the House of Lords this evening, Earl It is difficult to see any good reason for to the bill to dise tablish the Irish Church.

A grand republican demonstration will be and in an ex parte manner.

A grand republican demonstration will be made here to morrow, in honor of the vic.

I can conceive no sensible reason why an

about to issue a manifesto advising the supporters to swear allegiance to the Constitution if positively required. The clergy conclaim gives no title, and surely open court is sider it their policy to reject the oath as a the proper place to settle any dispute which

Russian Asia frontier, and all the bands called Quolstepes, East of Ovenberg and North of the Caspian ses, have engaged in an uprising against the authorities of the Government. Isolated posts and troutier villages have been burned, several lages have been burned, several convoys have been attacked.

By Pressence, June 8. Describes for the many besides myself can understand.

ST. PETERSBURG, June 8-Despatches from the Government of Tomsk announce that serious insurrection has broken out among the Kirghees, in the northern part of Toor-kistas. It extends through all the hordes, and is rapidly increasing in importance. The Russian officials have either been massacred or forced to fly. Energetic measures are being gives rise to a little red-tapeism which protaken by the Government, and a large force bably might be considered harmless. In of Cossacks, with a number of light batteries, are being concentrated under the com-mand of Ratsoniowsky.

PORTLAND, June 22.—At the city lican ticket was elected. B. Goldsmith is Mayor, 150 majority over Dr. Chapman. H. Saunders, Marshall, 144 over Jacobi. The City Council is now two thirds Republican, three Democratic Councilmen hold over. Democratic Councilmen hold over eight, all by time and allowance. The Julia is Mayor, 150 majority over Dr. Chapmajority in the city last year was 160.

The Land Act.

EDITOR BRITISH COLONIST :- May I ask for a small space in your paper in which to make some comments on the 13th clause of the "Land Ordinance, 1869?"

"13. The person desiring to acquire any particular plot of land of the character aforesaid shall before entering into possession ment is to be commended for consistency in thereof obtain from the Stipendiary Magistaking measures to prevent the fitting out of trate of the district permission to enter on filibustering parties or Cubs. It says the and presempt certain lands to be specified in of Cuban insurgent Junta of New York is writing by the applicant." [The italics are my own.

Shaft sours gave notice of an amendment the roundabout process thus entailed on those The amendment is to the following effect : desirous of pre-empting land. If a Magis-That the surplus Church property shall be a trate cannot refuse to record a pre-emption fund from which to grant loans to the Irish claim the clause is silly, useless, and in many MADRID, June 22. The official reading of cases most vexations. It, on the other hand, the new Constitution in many places of the Magistrate be supposed to exercise his country has been answered with republican discretion as to whether be will allow a precries and slight disturbances promptly sup- emption, he acts judicially outside of court

intending settler should not make his record tims of the revolution of 1868. to display intending settler should not make his record Republican, members of the Cortes are as a matter of right and at his own risk. may arise. With reference to mining it is LONDON, June 7-All the tribes on the not necessary to obtain the Gold Commis.

> many besides myself can understand. I have not heard of a Magistrate refusing permission to pre-empt; and in cases where the land sought to be acquired is in the vicinity of the headquarters of a district the intending pre-emptor is not put to much inconvenience, and the clause in question only

piece of unoccupied land in the vicinity of Soda Creek which he wishes to record; he has to go or send over one hundred and seventy miles to Lillooet, the headquarters ing him of the action of the House of of the district, to obtain permission to preempt; after obtaining this permission (assuming that such will be granted) he is then, tions for an arrangement of reciprocal and not till then, at liberty to set his stakes and enter into possession of the land; he has trade with Canada, and inviting then either to go or send a second time to S Lillooet, to make his record, pay the fees and of negotiating a convention covering leceive from the Magistrate "the Record interchange of products, the free navithe very mildest word) a circuitous way of doing that which might, and ought to, be made as simple as possible. During a matters as are embraced in the general Magistrate's absence from his district (a by subject of trade relations between the no means unlikely occurrence during the States and Canada. The British Go- winter) I am at a loss to understand how land can be taken up at all; the Act does nct appear to give the Magistrate power to transfer his authority as to giving permission to record land to the officer who may be left

I have heard one and only one reason advanced as an excuse for the clause alluded to :- that it was framed with the view of preventing the recording of reserved lands. It can, I think, be easily proven that this reason, perhaps it is not the true one, should have had no weight with the makers of the law. splice the shore end of the cable, which will soon be made, and the new cable put under weigh.

Brest, June 21.—A banquet was given on board the steamship Great Rastern last evening, in honor of Nable telk in diplomatic circles relative to the steams and the cable, which was reserved for the decreased, was crowded for two hours being the event of a person wishing to record land which had been reserved, no hing could be easier than to inform him that such land be easier than to inform him that such land be easier than to inform him that such land be easier than to inform him that such land be easier than to inform him that such land be easier than to inform him that such land be easier than to inform him that such land be easier than to inform him that such land had no weight with the makers of the law.

The Government Gazette, in which reserves are advertised, is sent to the Magistrates, and in the event of a person wishing to record land which had been reserved, no hing could be easier than to inform him that such land had no weight with the makers of the law. reservation. It after such warning the record was insisted on, the more tool he who so insisted. It is most improbable that this would often happen, but if after being cautioned a person was found to be anxious to make the Government a present of eight shillings and four pence, by all means let him

In a few words that which I wish to suggest is this: The principle is mischievous in theory and inconvenient in practice. AM last 's use sid d COLUMBIAN.
