ISSUES OF THE CAMPAIGN.

The federal campaign is drawing to a

ought to stand high in the favor of the ministry. It seems folly to claim that under such conditions it is necessary to elect another Liberal in order to secure with public movements and resolute in his advocacy of principles, it might be diamed that, being a Liberal and, as such, a man within the party with whom the government would have to reced, for the Lord Chamberlain, or whoever the official is who controls such an an within the party with whom the government would have to reced, for the Lord Chamberlain, or whoever the official is who controls such an an within the party with whom the government would be instrumental in securing what the other four Liberal menders have been unable or have not tried to accomplish. But the other four the province have been unable or have not tried to accomplish. But the such that the other four third is a solid province have been unable or have not tried to accomplish. But the such that the such growth is included by the province have been unable or have not tried to accomplish. But the such that the such growth is included by the province have been unable or have not tried to accomplish. But the such that the such growth is increased by the province have been unable of the party with whom the government would be instrumental in sectioning with the party with whom the government would be instrumental in sectioning with the party with with the party with whom the government would be instrumental in sectioning with the party with with the other with the party with with the party with whom the government would be instrumental in sectioning with the party with with the part in the attitude of one who expects personal favors, and it is absolutely impossible for him to be sufficiently independent to insist upon the recognition of the claims of the province which he represent to the find room for marchionesses, countesses, baronesses and other small fry, is something which the arithmetic of the highest Imperial functionaries has not yet been able to solve.

Mr. Riley cannot feel very well pleased at the result of one phase of his controversy with Col. Prior's version of the compels a partizan, who has not taken the trouble to investigate the matter at all, to admit its existence, must be of no ordinary kind. Yet when the Colonist recently pressed this neglect as reason, among others, for sending to be best served by devotion to what will other mere men can be wedged into any it necessary to compel him to do se? promote the welfare of the whole pub- old place. lic, we may be reasonably certain that Only one thing seems definitely settled he will take every possible occasion to about the coronation costumes, and that Wiffrid Laurier asks him his views on keep those claims to the front. We do not ask any one to believe that Mr. Bar nard has a monopoly of patriotism, or that he is more desirous than any one else of seeing British Columbia and Canis, and the coronation costumes, and that they will cost a lot of money. Wilfrid Laurier asks him his views on the Alaskan Boundary, will he reply in the language he employed at one of his feature of the case, neither the Liberance of seeing British Columbia and Canis, who list the language he employed at one of his meetings, and tell the Premier that he is no time to talk about that or other case for him has no time to talk about that or other case for him the columns. that he is more desirous than any one catch ermine, to the court milliner, who has no time to talk about that or other case for him, has made a single promise else of seeing British Columbia and Canis is just a little less important than an international questions? ada generally advance, but we do ask empress.
