Want to Feel Just Right?
— Take an NR Tonight —

JUST TRY IT AND SEE how much better you feel in the morning. That "tired," "heavy," "dull," "drowsy" feeling that has been with you since you last fell asleep.

TROUBLE IS, your system is clogged with a lot of impurities that your over-worked digestive and eliminative organs can't get rid of. Pills, oil, salts, cathartics and ordinary laxatives, cathartics and purges only force the bowels and prod the liver.

Nature's Remedy (NR Tablets) acts on the stomach, liver, bowels and even kidneys, not forcing, but toning and strengthening these organs. The result is prompt relief and real, lasting benefit. Make the test. Nature's Remedy will act promptly, thoroughly, yet so mildly, so gently, that you will think nature herself has come to the rescue and is doing the work.

And oh, what a relief! You'll be surprised to find how much better you feel—brighter, better every way. If habitually or occasionally constipated, take one NR Tablet each night for a week. Then you'll not have to take medicine every day. Just an occasional NR Tablet after that will be sufficient to keep your system in good condition—keep you feeling just fine.

"CASCARETS" WORK WHILE YOU SLEEP

or Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Purred Tongue, Bad Taste, Indigestion, Salty Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental haze, everything that is horrible and unbecoming. A Cascaret tonight will give you constipated bowels a thorough cleaning and straighten you out by morning. They work while you sleep—while you're feeling good for months.

WHERE COLDS STRIKE

The throat, breathing passages and lungs are the weak spots at which colds strike. And these are the very organs most difficult to treat, because only a breathable remedy, capable of reaching the trouble spots, can provide a breathable remedy, and their superiority over remedies which are swallowed into the stomach is therefore obvious. For convenience, this breathable remedy is condensed into tablet form. To solve Peps in your mouth, and the medicinal vapor that is released is carried by the breath to the remotest parts of the breathing passages and lungs, heating, soothing and strengthening every part with which it comes in contact. All the same time, by destroying the germs, these medicinal vapors prevent the development of colds, coughs and serious chest trouble.

Carry Peps with you, and when you go from an overheated building to the bitter cold of outdoors, put a pastille in your mouth. Also as a protection against germs, keep a Peps in your mouth, when breathing the impure air of a crowded theatre or store.

For colds, croup, or chest troubles, Peps have already developed. Peps are equally valuable for bronchitis, sore throat, laryngitis, etc. All dealers, etc. box.

NEW RICHMOND.

On Sunday evening the 19th, about eight o'clock the barn belonging to Mr. James Robertson, was burned to the ground. Three horses and sixteen head of cattle were also lost together with several tons of hay and straw. How the fire originated is a mystery. We understand that only a small insurance was on the building. Rev. F. J. Patten who has been past-

tor of St. Andrew's Presbyterian Church during the past four years has severed his connection with this congregation and leaves on Wednesday to take up his new charge in Longueuil, Que. Most of his congregation will deeply regret his departure from New Richmond.

Rev. L. J. King of Point a la Peste occupied the pulpit here on Sunday morning.

It is with feeling of deep regret that we learn of the death of Mr. W. L. McKenzie of this place which sad event occurred at Owen Sound, Ont. last week.

Eminent Painters Design Our Boxes

WHY? Because we believe their appearance should reflect the quality of their contents. And their contents are a triumph of the confectioner's art.

After a design is perfected, no detail is neglected to make the box an artistic triumph.

The shaping of the corners, the colour and tie of the ribbon, everything is made to harmonize.

As a result, the Gift of a Box of Neilson's is always a joy to the eye and to the palate.
