RHEUMATISM

It is a well-known fact that rheumatism has utterly failed to afford relief in pneumatic cases. It ventures the assertion that although electricity has only been in use for a few years, it has cured more cases of rheumatism than all other means combined.

NERVOUS DISEASES

Thousands of people suffer from a variety of nervous diseases, such as Seminal Weakness, Impotency, Lost Manhood, etc., that the old modes of treatment fail to cure. There is a loss of nerve force or power that cannot be restored by any medical treatment, and any doctor who would try to accomplish this by any kind of drugs is practicing a dangerous form of charlatanry.

WITHOUT MEDICINE

Without of imitations and the worthless cheap so-called Electric Bells advertised by some persons and peddled through the country. They are electric in name only, worthless as a curative power and clear at any price.
