## A CURE! FOR ALL!!

## HOLLOWAY'S OINTMENT!

AN EXTRAORDINARY CURE.

26 Holes on one Leg, and 14 on the Other, On Crutches! 2 1/2 Years Afflicted?

The Lord Mayor of London affixed his Signature as Witness to the following Solemn Declaration made before him at the Mansion House this 14th day of November 1842.

## DECLARATION!

I, JAMES STANLEY, Gentleman's Servant, residing at Long Ditton, Kingston-upon-Thames, do hereby solemnly declare that for the last Two Years and a half I was (in consequence of being feverishly afflicted with Ulcerations in both Legs) quite incapable of getting my Living. I further declare that I bought relief of several Eminent Medical Men, both in Town and Country, both my case only got worse instead of better, under their Treatment. I further declare that in or about the beginning of June last I was admitted as a Patient at the North London Hospital, and there I remained for about Six Weeks. In that Institution cold lotions and cloths dipped in cold water were applied to the Ulcers—by these repelling means and the use of tight bandages, the Ulcerations were made to shrink tightly over, and I left the Hospital although at the time there was great pain and uneasiness in my Legs, which almost immediately broke out in a far more dangerous state than before so that on my left Leg I had twenty-six holes, and on my right I had fourteen, indeed my Legs appeared a frightful mass of corruption.

I lastly declare, that I was in this state in the middle of September last, at which time I first commenced the use of HOLLOWAY'S PILLS AND OINTMENT, which in a very short time restored to health and soundness every one of the Wounds, and in consequence my Legs are as well and as sound as ever they were in my Life, so much so that I was able to walk, on the 11th instant, from Long Ditton to London and back, a distance of twenty-eight miles, without feeling in my Legs the least ill effect from the fatigue of the journey. I believe if I had not been cured by those Extraordinary Medicines my Legs must have been amputated, as the only means of saving my Life. JAS. STANLEY.

Declared at the Mansion House, in the city of London, this 14th day of November, 1842.

Before me, JOHN HUMPHRY, Mayor.
