CONCERTS AT ANN. CO. INSTITUTIONS

Series of Entertainments Will Be Given As Usual This Winter By Churches.

With the approach of Winter, those who have the welfare and good cheer of the inmates of our County Institutions at heart, have been getting busy arranging the usual series of monthly entertainments in the Recreation Hall. For this season it has been decided to begin earlier than heretofore. The Pastor of each of the local churches has promised an entertainment under the auspices of his church, whilst the Christmas concert will be a joint effort. Taking the usual order arrangements have been made tentatively as follows: On or about Thursday, Nov. 15th, the first entertainment will be given by the Anglican Church; on Thursday, Dec. 27th, the Christmas tree entertainment will be held; toward the end of January the Baptist Church will give the third entertainment; whilst the fourth will be given about a month thereafter, by the United Church.

It is hoped the public will keep these in mind and liberally patronize them, not only on account of financial help, but because their presence gives great cheer to their less fortunate brethren.

It is also thought that other organizations or groups of individuals, might be willing to contribute an evening and word of such would be gladly welcomed by either Supt. Hiltz or Myers.

DR. MILLER AND BRIDE WARMLY WELCOMED

Middleton.—Dr. S. N. Miller and bride arrived in Middleton Thursday and were warmly greeted by their friends. The marriage took place on Tuesday, October 2nd, at high noon, in St. John's Episcopal Church, Arlington, Mass. Rev. Charles Taber Hall, Rector, being the officiating clergyman. The bride was Miss Christina B. Randall, formerly of South Farmington, Annapolis County, but for many years prominent in business in Boston, where she has a large circle of interested friends. Dr. Miller has for many years, been a leading physician in our town. Immediately after the ceremony which was performed in the presence of intimate friends, Dr. and Mrs. Miller left by auto with his son, H. W. Miller and wife for Buffalo, N. Y., where they were the guests of the latter for a week.

The trip occupied several days, as they went through the Berkshire Hills and Mohawk Valley, visiting Syracuse and other cities of note en route. In the return trip they visited Niagara Falls and other places of interest. Dr. and Mrs. Miller received a hearty welcome in the form of an old fashioned "saluting" from the townspeople and Middleton band last evening and expressed pleasure at their reception. Their many friends unite in wishing them a happy wedded life. Mrs. C. F. Fisher entertained very pleasantly a number of young matrons and girls at the tea hour, Wednesday afternoon, in honor of her daughter, Miss Dorothy Fisher. Mrs. H. W. Kirkpatrick and sister, Miss Lela Kelly, also entertained a large number of their friends at the tea hour.

MAURICE MACK HAS NARROW ESCAPE

Companion Throws Lighted Match at His Gasoline Soaked Clothing—Prompt Action by Roy Donaghy.

Maurice Mack was painfully, and would very possibly have been fatally burned, yesterday afternoon, but for prompt action on the part of Roy Donaghy and others who happened to be near. It seems young Mack was at the gasoline tank and the hose slipping covered him with the liquid. Doug. Fox, a boy also there at the time, by way of what he regarded as a joke, threw a lighted match at Mack. The flame ignited at once and flamed up. Roy Donaghy took off his coat and smothered the flames so that young Mack was burned only about the legs. His injuries will probably keep him housed for some days.

CALL TO SUPPORT OF G. W. V. A.

All Returned Men to Get Into Line—Stirring Letter From President Andrews.

Windsor, Nova Scotia, October 12th, 1923.

Comrades: The Dominion Command has suffered its severest loss by the resignation of its Secretary, Comrade C. G. MacNeil, its oldest and most energetic officer. No man has done more, and one could have done more to advance the interests of service men or to maintain the prestige of the Association. Such service as he has rendered, especially in the recent struggle on behalf of pensioners, would in any other institution have placed its doer in a position of the highest honor, and would have been rewarded with universal support.

But the cost of carrying on the fight before the Parliamentary Committee, successful though it has been, has stripped the treasury bare, and as a result the Association has now become desperately crippled by the loss of our Central Organization at Ottawa, and also of the exceptional gifts of an invaluable officer.

This eclipse can, I believe, be only temporary. The need of an Association such as ours, which has been over and over again proved to be real, will be found too great to allow it to be squeezed out by design, or snuffed out by indifference. The service rendered to all Veterans by this Association is too great to permit of the final extinction of so valuable a factor in the body politic.

This Provincial Branch will carry on in any case, in the hope and expectation of a letter renewal of our complete organization. Those who would regard our extinction with satisfaction will be disappointed in the end. The service man has too much of value to contribute to public life to be easily pushed aside.

Those who protected our threatened liberty, and safeguarded our national assets, at unpeppable cost to themselves, cannot be placed in the discard by any temporary office holders. We BELONG, and we cannot be READ OUT.

Our Association which has never yet responded to a selfish motive, which has ever passionately urged the claims of those disabled and impoverished through service in war, which has been consistently loyal to the Nation, and constantly mindful of the memory of those who gave their life, has proved its right to live, and to erect upon the foundation of its high ideals, the tower of strength called for by these times.

This intention should be respected everywhere. The solemn pledge of Canada in her hour of peril that she would see perfect justice done to her protectors, entails just that. We look for public recognition and sympathy as our right. Citizens we become by demobilization, but citizens with an added reason, a deeper motive, and a greater faith.

If this should have weight with the public, much more should it arouse our sleeping Comrades into action. If it is a forlorn hope we are facing now, well—they have faced it before upon a field of greater hazard; if they could stand together without wavering, and deliver a world famous punch in the general defence, why hesitate to throw in their weight for justice to the widow, the orphan and the disabled comrade. That justice cannot be won by the scorching indignation of a few scattered comrades, but only by the united voice of the great body compactly organized.

Then let every branch get into line, and stand by the Constitution and Principles!

Comrades, fall in! Dressing by your Provincial Branch. Hunt your nearest branch and join up! You sank every other consideration in a great cause once! This cause too is worthy!

Here is where we prove the meaning of the word "Comrade":— Here is where we show our winning punch!

Here is where we win our public! Here is where we hold the ridge! Here is where we serve the needy and keep our solemn pledges to the dead!

Yours fraternally, (Sgd.) A. E. ANDREW, Prov. President G.W.V.A. of Nova Scotia.

How many minutes should your tea be brewed? This depends somewhat on what kind of tea it is. If it is MORSE'S SELECTED ORANGE PEKOE, it should be brewed five and a half minutes, and always in fresh water that has just come to the boil. The freshness of the water has a lot to do with the making of a good cup of tea.

MURDERED BY CONVICT

Sad Fate of J. W. Bishop, Cousin of Chief Bishop—Result of Testimony Against Burglar.

The sad news reached here this week of the murder in Wareham, Mass., of John W. Bishop, garage owner and chief of the local fire department who was found in a dump at the rear of his garage dying of a broken neck and other wounds.

Police investigation has disclosed the fact that Bishop was a witness against two men convicted of burglary in Barnstable County five years ago. His testimony led to their conviction. One of these two swore to "get even" with Bishop.

Neither money nor his watch was taken from his person and the assailants, it is believed, sought to create the impression that their victim's death was caused by a fall from the back door of the garage to the dump below. The autopsy disclosed the fact that Mr. Bishop had been murdered by blows struck by a monkey wrench. The police are closely investigating the case. The deceased was a first cousin of Chief Bishop of this town, was a prominent and highly esteemed citizen of Wareham and the news of his sad death has caused general regret.
