## THE QUEEN AT HER CORONATION.

On the twentieth of next June the whole British Empire will complete the sixtieth year since Queen Victoria was crowned. In all our Sunday-school papers we give pictures of our beloved Queen, and our DEW DROPS must not be omitted in this list. We have pleasure in giving a picture of our good Queen as she appeared when she was crowned sixty years ago. God's blessing has been upon her through all these years, and, while she has known sorrow, she has also had much joy and comfort. We pray that her last years may be her best years, and that when she lays aside an earthly crown it may be to receive a crown of life which shall never fade away.
