GROUND BONES! GROUND BONES!

A LENGTHENED experience in Europe and the United States has shown this to be the most valuable fertilizer for every crop.

During the past season THE PROPRIETOR OF THE WELLINGTON TANNERY has totally altered his machinery for preparing this valuable manure, and is now prepared to supply Agricultural Societies and the public generally with

FINE GROUND BONES

of a quality far superior to any that can be imported.

PRICE—Delivered at Wellington Station—

Fine Ground Bones . . . \$35.00 per ton.
" " " " " " " " " \$2.00 per cwt.

The machinery being now in thorough working order, orders will receive prompt attention and despatch.

As the supply of BONES in this Province obtainable for export is yet very limited, customers are requested to send forward their orders as early as possible, in order to ensure obtaining a supply for this year's crop.
