ADVICE TO MOTHERS.—Mrs. Winslow's **SOOTHING SYRUP** should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little one awakes as bright as a button. It is very pleasant to take. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

DR. J. W. WOOD'S WORM SYRUP will remove all kinds of Worms from children or adults.

It is seldom that we have an opportunity to direct attention to anything so really worthy of notice as this Complete Stamping Outfit. While the price is almost ridiculously low for the entire outfit, the number, excellence and variety of the articles furnished almost exceed belief. Even for a family to do its own stamping the outfit would be of great service; but when it is realized, that by means of the instructions, samples and materials that are included as "Outfits," any lady can easily become skilled in making choice Kensington Lace of most elegant patterns, and in executing every description of perforated stamping thus making a nice addition to her income in a very easy and pleasant way, it would seem that scarcely anyone would neglect taking advantage of so favorable an opportunity.
