FILKINS: Dr. Killum has paid five visits to our house. Bilkins: My! at ten dollars a visit! That's expensive. Filkins: It's only ten dollars. The last four he was after his money.

A POPULAR topic is cabinet reconstruction, which really does not concern the public so much as the reconstruction and cleansing of the human system against the approach of spring. The premier medicine for this purpose is Burdock Blood Bitters, and both parties recognize it as the best blood purifier and general system regulator known.

A TIRED Man.—"Is he so lazy?" "Lazy! Lazy is no name for it. He is so awful lazy that it tires him to keep up with the earth when it turns on its axis."

BURDOCK Blood Bitters is a household remedy for dyspepsia, it expels rheumatism and neuralgia from the system, acts as an antibilious agent on the stomach, liver and bowels, antagonizes blood poison, builds up and revitalizes the bodily functions and restores and purifies the entire system.

"My son," said the venerable man, as he sent his boy forth to do battle with the world, "select your calling, stick to that one thing alone, and you will succeed." The boy selected the calling of village lawyer, stuck to it faithfully, and now he is known for miles around as the best checker player in Pike County.

HAVE YOU SEEN IT.—The new Egyptian Dream Book is creating quite a stir. Whether you believe in dreams and visions or not it will interest and instruct all who read it, as it contains full interpretations of a complete list of dreams with other attractive features. Sent by return mail on receipt of three cent stamp, T. MILBURN & Co., Toronto, Ont.

"WHEN we were in the North Seas," said the whaling captain, "we frequently traded blubber for sealskins." "That's nothing," said Bond. "Down in the North River region my wife worked the same racket on me."

Tested by Time.—For THROAT DISEASES AND COUGHS, BROWN'S BRONCHIAL TROCHES have proved their efficacy by a test of many years. The good effects resulting from the use of the Troches have brought out many worthless imitations. Obtain only BROWN'S BRONCHIAL TROCHES. Twenty-five cents a box.

"I HAD to be away from school yesterday," said Tommy. "You must bring an excuse," said the teacher. "Who from?" "Your father." "He ain't no good at making excuses; ma catches him every time."

GENTLEMEN,—One of my little girls (aged four years) had been troubled with costiveness in its worst form since infancy. We tried different remedies which gave relief while using, but as soon as discontinued she would be worse than before using. She lost her appetite and was growing weak and delicate. A friend of mine who had used B.B.B. with grand results for the same disease advised me to try it, and also the Burdock Pills, which we did. She did not take the contents of one bottle before it relieved her, and not only relieved her but permanently cured her, for she has not been troubled once since, and she is now eight years old.—HENRY REYNOLDS, Sarepta, Ont.

PROF. GREATMIND: Have you ever reflected on the mysterious wonders of electricity? Sweet Girl: Indeed, I have, and I don't know yet why my bangs come out of curl during a thunderstorm.

WHEN nature smiles again in the mild spring days, mankind often groans from the effects of bad blood and kindred troubles engendered by the long hard winter. Remove the cause of all your trouble by purifying your blood with nature's remedy, Burdock Blood Bitters, the best blood searcher and tonic ever discovered.

FRIEND: I should think you would find hardwood rather an expensive fuel these days? Suburban Resident: That wood-pile is not for fuel; it's a protection against tramps.
