

Craigie, Geo. Duff and S. Logier, Toronto; Mr. F. J. A. Morris, Peterborough; Mr. J. Evans, Trenton; Prof. W. H. Brittain, Truro, N. S.; and Mr. Vernon King, Charleston, Mo.

Among the visitors were Prof. C. R. Crosby, Cornell University, Ithaca, N. Y.; Mr. J. C. Chapais, St. Denis-en-bas, Que.; Rev. Father Leopold, La Trappe, Que., and Messrs. A. B. Baird and S. H. Hord, O. A. College, Guelph.

On Thursday morning a meeting of the Council was held in the University Biological Building, at which the report of the proceedings during the past year was drawn up, and several matters relative to the welfare of the society were discussed. A suggestion that the next Annual Meeting be held at Ottawa was afterwards put before the General Meeting of the Society and adopted.

The regular proceedings commenced at 2 p.m. in the Lecture Room of the Royal Canadian Institute, and the interest felt by those present in the varied programme was shown by the lengthy discussions which followed many of the papers. The first order of business was the reading of the Reports of the Directors on the insects of the year. Reports were presented by Mr. A. Gibson, Ottawa; Mr. C. E. Grant, Orillia; Dr. A. Cosens, Toronto; Mr. F. J. A. Morris, Peterborough, and Mr. W. A. Ross, Jordan Harbour. These Reports contained an unusual number of interesting observations. Dr. Hewitt, the President, then read the Annual Address, which was a very able and complete account of the rise and progress of Applied Entomology in Canada, and will form a most valuable contribution to our literature of the history of Canadian Entomology. Appreciative remarks upon this address were made by Dr. Bethune and Dr. Fyles, after which a valuable Paper on the Insects of the Season in Ontario was presented by Prof. Caesar. Considerable discussion followed this paper, particularly on the work of the Tarnished Plant Bug and other capsids in orchards and nursery stock and the methods for their control.

On Thursday evening a Public Meeting was held in the Lecture Hall of the University Biological Building, and was well attended, many members of the University staff and that of the
