ATTENTION OF SUBSCRIBERS is required to the following conditions: This sheet is a strictly confidential communication, and is prepared and furnished at a price agreed upon to our yearly Subscribers only at their own request, and for their guidance and protection in business. It is not to be shown, or its contents made known to any other persons, but it is subject in all respects to the provisions of the contract or "Terms of Subscription," signed by Subscribers and in our possession. The words "If interested Inquire at the Office," inserted opposite names on this Sheet, do not imply that the information we have is unfavorable. On the contrary, it may not infrequently happen that our last report is of a favorable character; but Subscribers are referred to our Office because, in justice to them, the parties reported, and to ourselves, the information can only be properly conveyed to those entitled to receive it by the full report as we have it on our records.

ORD ITEMS do not necessarily affect the credit or safety of the parties mentioned. They are given just as we find them in prints and on the public records, and suggest further investigation and explanation.

When inquiring for any of the undermentioned, please note on the inquiry ticket that the name was on the sheet.
