

O day of time, how dark! O sky and earth,  
*How dull your hue!*  
O day of Christ, how bright! O sky and earth  
Made fair and new!  
Come, better Eden, with thy fresher green!  
Come, brighter Salem, gladden all the scene!

## Book Notice.

THE PRESBYTERIAN HISTORICAL ALMANAC, FOR 1863. Philadelphia: Jos. M. Wilson.

We have received a copy of the Presbyterian Historical Almanac for 1863. We presume that the lateness of its appearance is owing to the circumstances of the country and church in the United States. This volume is even fairer than its predecessors of statistical and general information connected with the several branches of the Presbyterian Church in America and Europe. Much useful information is given on the subject of manses, to which Mr. Wilson's attention has been largely given. As a book of reference for ministers, and for those who take an interest in the prosperity and increase of the Presbyterian Church, this volume is exceedingly useful. We trust that the compiler and publisher will meet with the encouragement which he deserves. We shall be glad to obtain copies for those wishing to procure them.

## MONEYS RECEIVED UP TO 22ND OCTOBER.

Written receipts will be sent when asked. Parties remitting moneys are requested to communicate with the Agent for the Schemes of the Church, Rev. W. Reid, Knox College, should there be any omission in the acknowledgments in the Record.
