THE CRADLE SONG OF THE POOR. (From the Buffalo Catholic Sentinel.) "Hugh! I cannot bear to see thee Stretch thy tiny hands in vain; I have got no bread to give thee, Nothing, child, to ease thy pain.
When God sent thee first to bless me,
Provd, and thankful too, was I; Now, my darling, I, thy mother, Almost long to see thee die. Sleep, my darling, thou aft weary; God is good, but life is dreary. "I have watched thy beauty fading.

And thy strength sink day by day; Soon, I know, will Want and Fever Take thy little life away. Famine makes thy father reckless, Hope has left both him and me; We could suffer all, my baby, Had we but a crust for thee. Sleep, my darling, thou art weary; God is good, but life is dreary.

" Better thou shouldst perish early, Starve so soon, my darling one, Than live to want, to sin, to struggle, Vainly still, as I have done. Better that thy angel spirit With my joy, my peace were flown, Ere thy heart grew cold and careless, Reckless, hopeless, like my own.

Sleep, my darling, thou art weary; God is good, but life is dreary. "I am wasted dear, with hunger. And my brain is all oppressed, I have scarcely strength to press thee, Wan and feeble, to my breast. Patience, baby, God will help us, Death will come to thee and me, He will take us to His Heaven, Where no want or pain can be. Sleep, my darling, thou art weary :

God is good, but life is dreary.

Such the plaint, that late and early, Did we listen, we might hear Close beside us,—but the thunder Of a city dulls our car. Every heart, like God's bright Augel, Can bid one such sorrow cease; God has giory when his children Erings his poor ones joy and peace! Listen—nearer while she sings Sounds the fluttering of wings!

MONTREAL CATHOLIC MODEL SCHOOL, No. 19 & 21 Cote Street.

OWING to the great number of young men who have gone to business this Spring, from the above Establishment there are vacancies for more pupils. Great care is taken to select efficient and well qualified Teachers as assistants in this institution. The French department is Conducted by Professor Garnot, a gentleman of long experience in Montreal, and of surpassing abilities. The terms, which are very low, compared to the instruction imparted, vary from one dollar to three per month, in proportion to the pupil's advancement.

Superior facilities are afforded to children desirous of learning French or English, or both, as nearly all the pupils speak both languages. For further particulars apply to the principal, at the School; the best time is between four and five o'clock, P. M. W. DORAN, Principal.

NOTHING ELSE DOES ME ANY GOOD.

LANCASTER C. H., S. C., May 1856. Dr. C. M. Jackson, Philada. Deur Sir:-1 have been afflicted with Dyspepsia for a number of years, and until three years since I could find nothing which would afford me rolief. Fortunately forme, I heard of "Dr. Hoofland's German Bitters," and thought I would try them, not however, with much faith that I should be benefitted by their use.

To my surprise I found that on taking a few doses I was relieved of the pain in my side and chest, my appetite became good, I gained strength, and in fact felt stronger and in better health than I had for a long time. I do not allow myself to be out of the Bitters if I can obtain them, for nothing else does me any good. I am willing at all times and ready to state my case to any one who may wish to know the full particulars, and shall with pleasure recom-mend them to all who may be afflicted with Dyspopsia or Liver Complaint, for I believe if anything will give them relief they will be relieved by Hoofland's German Bitters. Many persons in this district have used the Bitters with beneficial results, and I have no doubt you could get a number of certificates were you to ask them, for to my certain knowledge quite a number have been very much benefitted by the use of your medicine.

I almost forgot to mention that my daughter, about six years of age, was cured of Jaundice by Hoofland's German Bitters. I think hest to mention this, as I have never known them used in any other case of

Respectfully yours.

the Collegiens, when it was first published, with a pleasure we have never forgotten, and which we have found increased at every repeated perusal. Ireland has produced many geniuses, but rarely one, upon the whole superior to Gerald Griffin."—Brownson's

Review. "We have now before us four volumes, the commencement of a complete edition of Gerald Griffin's works, embracing the 'Collegians' and the first series of his 'Munster Tales.' The nationality of these tales, and the genius of the author in depicting the mingled levity and pathos of Irish character, have rendered them exceedingly popular. The style in which the series is produced is highly creditable to the enterprise of the American publishers, and we are free to say that the volumes are worthy of being placed in our libraries, public or private, alongside of Irving, Cooper, or Scott."-Hunt's Merchant's

DR. MORSE'S INDIAN ROOT PILLS.

DR. MORSE, the inventor of MORSE'S INDIAN ROOT PILLs, has spent the greater part of his life in travelling, having visited Europe, Asia, and Africa as well as North America—has spent three years among the Indians of our Western country—it was in this way that the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD-that our strength, health and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functious of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if na-ture is not assisted in throwing off the singuant hu-mors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a me-Bridge's Algebra, revised by Atkinson, 31 " dicine in your reach, namely Morse's Indian Root Pill's Pinnock's Catechism of Geography, revised and greatly enlarged. For the use of the Christian Brothers. 12mo., 124 pages, price only 19 cents bound. This is the cheapest and best primary Geography in use. which opens the porce of the skin, and assists Nature in throwing out the finer parts of the corruption with-Mansou's Primer, 2 cents, or \$1 50 cents per gross in. The second is a plante white a second in that opens and uncloss the passage to the lungs, and that opens and uncloss the passage to the lungs, and thus, in a soothing manner, performs its duty by Copy and Cyphering Books, Blank Books, in every throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diaretic, which gives ease and double strength to the kidneys thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out boun-75 cents tifully by the urinary or water passage, and which could not have been discharged in any other way .--The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood : the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and

conveyed off in great quantities by the bowels. From the above, it is shown that Dr. Morse's Indian Root Pills not only enter the stomach, but become united with the blood, for they find way to every part, and completely rout out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure

and clear. The reason why people are so distressed when sick and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be east out ; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr Morse's PILLS have added to themselves victory up-Volumes Now Ready, containing the following on victory, by restoring millions of the sick to blooming health and happiness. Yes, thousands who have been racked or tormented with sickness, pain and anguish, and whose feeble frames, have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised in witnessing their charming effects. Not only do they give immediate case and strength, and take away all sickness, pain and anguish but ther at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—that deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy

life will cherish and brighten your days.
