#### ASSURANCE LIFE

The great increase in the business of Canadian Life Companies was recently alluded to in Parliament, by the Minister of Finance, and the following figures from the last Government Returns, show that the Canada Life still maintains its lead and pre-eminence of all other companies:

It having been lately intimated by the representatives of American Companies that the legislation contemplated by Government would lead to their altogether withdrawing from Canada, assurers in such companies desirous of joining an institution like the Canada Life, permanently established in the country, are informed that in many cases this can be done, WITH AN ACTUAL REDUCTION OF YEARLY EXPENSE.
