From a Methodist Minister's Point of View

The Rev. A. M. Courtnay, of Allegheny City, in a late lecture on the subject, paid the following tribute to the Church:

"I have nothing but words of charity for the Roman Catholic Church. "First, the name Catholic is admirable. It means universal. It is the expression of the Lord's aspiration that all the churches may be one. But the word Roman is absurd. It cannot be Roman end also universal. There is a better word, Christian. But the Roman Catholic Church, more nearly than any other on earth, represents this universality. These church divisions are shameless and useless. It is an mestimable waste of energy in Christian effort—a burning, blistering shame on Protestantism. The world owes an everlasting debt to the Roman Catholic Church for the preservation of the noblest art and architecture the world has ever produced. The music of the hymns you have heard to-night was written by monks and I have a produced. was written by monks, and I have seen in Catholic books of devotion John Wesin Catholic books of devotion John Wes-ley's and Toplady's hymns. Protestant-ism owes much to the Catholic devo-tional literature. I admire, also, the firmness of the Catholic Church in as-serting her authority. We ought to thank God that in many regions this church can hold masses of men, whose sudden release from this bondage would threaten society. I honor the Roman threaten society. I bonor the Roman Catholic Church for its enforcement of the sanctity of the marriage vow, and its staunch opposition to divorce. Lax divorce laws are the nation's curse.

"Again, the Catholic Church never turns out her children. She takes them as babes, and though they may become the veriest outcasts, she welcomes them to her sacrificial grace whenever they may care to come. She prays for him, degraded as he may become. I wish we had some such hold on our people. The Roman Catholic Church is exceed. ingly wise in its exclusiveness. It has a place for its scholars, orators, musicians and executive brains in the Church.

"The Catholic Church will never disintegrate. Dynasty after dynasty has fallen into dust, and the lines of the Popes go on.'

The only dead fly in this oinment is the use of the word bondage," in reference to the Church's control over her members, and the suggestion that if released from this bondage they are dangerous. All men are more or less dangerous when released from the restraint of law, and the Catholic is not an exception. The Catholic Church is a bondage only in the sense that all law and order, even Christianity itself, is a bondage.—New York Freeman's Journal, March 30th, 1895.

## SEVEN YEARS OF SUF-FERING.

The Peculiar Experience of a Hamilton Man.

Neuralgia Made His Life Miserable-Many Remedies Were Tried in Vain-At Last Relief Came-How He Obtained It.

From the Canadian Evangelist, Hamilton. A member of the staff of the Canadian Evangelist, in conversation recently with Mr. Robert Hetherington, who lives at No. 32 Railway avenue, found him very outspoken in his admissions as to the benefit he had derived from the use of Dr. Williams' Pink Pills, and anxious that their good qualities should be made widely known. He is so thankful for the good he received from them that he says he considers it his duty to let others know what Pink Pills have done for him. Mr. Hetherington was a severe years. It bothered him very much in the head, arms and legs, and the pain was often so excessive. and the soreness so great that he could scarcely walk. He C. A. FLEMING,
Prevident. tried, as a matter of course, to find relief, and in doing so tried many so-called remedies, but none of them were of any St. Boniface Academy benefit to him. In August last his attention was called to Dr. Williams' Pink Pills, and he determined to give them a Pills, and he determined to give them a trial, and procuring a supply began their use. In about two weeks he found himself much relieved and found the pains disappearing, and after using Pink Pills for a few weeks longer every vestige of the pain had disappeared, and he was as well as ever. Mr. Hetherington has refrained from making any public statement before, for the reason that he wished to be convinced that his cure was complete, and he is now satisfied mon ed to be convinced that his cure was complete, and he is now satisfied upon this point. In reply to a question, Mr. Hetherington said he was satisfied that his present condition is due entirely to the use of Pink Pills. Before beginning them he had discontinued other medicines, and when he found them helping him had continued their use until he felt that he was fully cured. He further re-marked that he now felt like a new man. "Formerly," said he, "when I got up in the morning I was so stiff and tired that I could hardly walk, while now I get up feeling fresh and ready to go to work. I have not felt any of the pains since last September, and I wouldn't again suffer for one day the pains I formerly endured for the price of twenty boxes of the

Mr. Hetherington is not the only member of the family who has experienced the beneficial results of Pink Pills. Cne of his daughters, a grown-up young woman, was quite ill for a month or six weeks, and after a course of Pink Pills is

again fully restored to health.
Dr. Williams' Pink Pills have a remarkable efficacy in curing diseases arising from an impoverished condition of the blood, or from an impairment of the nervous system, such as loss of appetite, depression of spirits, anæmia, chlorosis or green sickness, general mus-cular weakness, dizziness, loss of memory. locomotor ataxia, paralysis, sciatica, rheumatism, St. Vitus dance, the after effects of la grippe, scrofula, chronic erysipelas, etc. They are also a specific for the troubles peculiar to the female system, correcting irregularities, suppressions and all forms of female weakness, building anew the blood and re-

storing the glow of health to pale and sallow cheeks. In the case of men they effect a radical cure in all cases arising from mental worry, overwork or ex-cesses of any nrture. These pills are not a purgative medicine. They contain only life-giving properties, and nothing that could injure the most delicate system.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper (printed in red ink.) They are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form should be avoid-ed: Ask for Dr. Williams' Pink Pills for Pale People, and refuse all imita-

tions and substitutes.
Dr. Williams' Pink Pills may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N. Y., at fifty cents a box, or six boxes for

Dr. Morse's Indian Root Pills.

To save Doctors' Bills use Or. Morse's Indian Root Pills. THE BEST FAMILY PILL IN USE oor sale of all devices

NORMAN, Out., January 15, 1890.

W. H. COMSTOCK, Brockville, Ont.

DEAR SIR,—Your 'Dr. Morse's Indian Root Pills' are the best regulator for the system that humanity can use. Life is as the time-piece: frail and delicate are many of its works. A tiny particle of foreign substance adheres to the smallest wheel in the works, and what is the result?—at first, only a slight difference is perceptible in its time-keeping, but wait you; as the obstruction grows, the inregularity becomes greater, until at last, what could have been rectified with little trouble, in the beginning, will now require much ca. e in thoroughly cleansing the entire works. So it is in human life—a slight derangement; is neglected, it grows and increases, imperceptibly at first, then rapidly, until what could, in the beginning, have been cured with little tro ble, becomes almost fatal. To prevent this, I advise all to purify the system frequently, by the use of Morse's Pills, and so preserve v.gor and vital'ity.

Yours faithfully.

Not with a blind faith, but a confidence wrought by an actual personal experience of their value and merit. My business is such that I spend much of my time away from home, and I would not consider my travelling outlit complete without a box of Morse's Pills.
