NOTES.

- (a) A favourite move of Mr. Bird.
 (b) Perceiving Black's intention to Castle on the Queen's side.
 (c) We confess it is a daring venture.
 (d) All this is well intended, and very bold on the part of the young master, but the counter attack is hardly expected to succeed against the veteran.
 (e) B-Q 3 is the right move here.
 (f) A brilliant, and to all appearance, a sound conception.
 (g) Compulsory.
 (h) Equally compulsory.
 (i) Obviously White could win the Pawn with 26. R-Kt 6, but he would have to give more for it than necessary.
 (m) And now comes the brilliant termination.

REPORTS OF GOVERNMENT CHEMISTS

As to Purity and Wholesomeness of the Royal Baking Powder.

"I have tested a package of Royal Baking Powder, which I purchased in the open market, and find it composed of pure and wholesome ingredients. It is a cream of tartar powder of a high degree of merit, and does not contain either alum or phosphates, or other injurious substances.
 E. G. LOVE, Ph.D.

"It is a scientific fact that the Royal Baking Powder is absolutely pure. The Royal Baking Powder is undoubtedly the purest and most reliable baking powder offered to the public.
 H. A. MOTT, Ph.D.

"The Royal Baking Powder is purest in quality and highest in strength of any baking powder of which I have knowledge.
 Wm. McMURRIE, Ph.D.

The Royal Baking Powder received the highest award over all competitors at the Vienna World's Exposition, 1873; at the Centennial, Philadelphia, 1876; at the American Institute, New York, and at State Fairs throughout the country.

No other article of human food has ever received such high, emphatic, and universal endorsement from eminent chemists, physicians, scientists and Boards of Health all over the world.

NOTE.—The above DIAGRAM illustrates the comparative worth of various Baking Powders, as shown by Chemical Analysis and experiments made by Prof. Schedler. A pound can of each powder was taken, the total leavening power or volume in each can calculated, the result being as indicated. This practical test for worth by Prof. Schedler only proves what every observant consumer of the Royal Baking Powder knows by practical experience, that, while it costs a few cents per pound more than ordinary kinds, it is far more economical, besides affording the advantage of better work. A single trial of the Royal Baking Powder will convince any fair minded person of these facts.

* While the diagram shows some of the alum powders to be of a comparatively high degree of strength, it is not to be taken as indicating that they have any value. All alum powders, no matter how high their strength, are to be avoided as dangerous.

Scrofulous

Humors are caused by a vitiated condition of the blood which carries disease to every tissue and fibre of the body. Ayer's Sarsaparilla purifies and invigorates the blood, and eradicates all traces of the scrofulous taint from the system.

I have used Ayer's Sarsaparilla, in my family, for Scrofula, and know, if it is taken faithfully, that it will thoroughly eradicate this terrible disease. I have also prescribed it as a tonic, as well as an alternative, and honestly believe it to be the best blood medicine compounded. — W. F. Flower, M. D., D. D. S., Greenville, Tenn.

For years my daughter was troubled with Scrofulous Humors, Loss of Appetite, and General Debility. She took Ayer's Sarsaparilla, and, in a few months, was

Cured

Since then, whenever she feels debilitated, she resorts to this medicine, and always with most satisfactory results. — Geo. W. Fullerton, 32 W. Third st., Lowell, Mass.

I was very much afflicted, about a year ago, with Scrofulous Sores on my face and body. I tried several remedies, and was treated by a number of physicians, but received no benefit until I commenced taking Ayer's Sarsaparilla. Since using this medicine the sores have all disappeared, and I feel, to-day, like a new man. I am thoroughly restored to health and strength. — Taylor James, Versailles, Ind.

The many remarkable cures which have been effected by the use of

Ayer's Sarsaparilla

sarsaparilla, furnish convincing evidence of its wonderful medicinal powers.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass.

Affections

Of the Eyes, Lungs, Stomach, Liver, and Kidneys, indicate the presence of Scrofula in the system, and suggest the use of a powerful blood purifier. For this purpose Ayer's Sarsaparilla has always proved itself unequalled.

I was always afflicted with a Scrofulous Humor, and have been a great sufferer. Lately my lungs have been affected, causing much pain and difficulty in breathing. Three bottles of Ayer's Sarsaparilla have relieved my lungs, and improved my health generally. — Lucia Cass, 360 Washington ave., Chelsea, Mass.

I was severely troubled, for a number of years, with an affection of the Stomach, and with Weak and Sore Eyes—the result of inherited Scrofula.

By Taking

a few bottles of Ayer's Sarsaparilla my eyes and stomach have ceased to trouble me, and my health has been restored. — E. C. Richmond, East Saugus, Mass.

Three years ago I was greatly troubled with my Liver and Kidneys, and with severe pains in my back. Until I began taking Ayer's Sarsaparilla I obtained no relief. This medicine has helped me wonderfully. I attribute my improvement entirely to the use of Ayer's Sarsaparilla, and gratefully recommend it to all who are troubled as I have been. — Mrs. Celia Nichols, 8 Albion st., Boston, Mass.

The healing, purifying, and vitalizing effects obtained by using Ayer's Sar-

are speedy and permanent. It is the most economical blood purifier in the world.

Sold by all Druggists. Price \$1; six bottles, \$5.
