

59. [The observer shall have the right to make recommendations to the inspection team, which the team shall take into account to the extent it deems appropriate.] Throughout the inspection, the inspection team shall keep the observer informed about the conduct of the inspection and the findings.

60. Throughout the in-country period, the inspected State Party shall provide or arrange for the amenities necessary for the observer such as communication means, interpretation services, transportation, [working space,] lodging, meals and medical care. All the costs in connection with the stay of the observer on the territory of the inspected State Party shall be borne by the requesting State Party.

Inspection duration

61.1 [An inspection shall not normally exceed [seven days] after the arrival of the Inspection Team at site in the territory of the State Party to be inspected. Periods of inspection may be extended by agreement with the representative of the inspected State Party.]

[61.2 Except for cases when drilling is carried out for sampling purposes, the duration of an inspection in the inspection area shall not exceed 40 days. The Director-General may decide to conduct inspections in two stages with an interval between them which is used for transporting the necessary instruments to the inspection area. Upon completion of the first stage, an inspection team shall leave the territory of the inspected State Party or by agreement with a representative of the inspected State Party shall wait for the second stage of inspection at an agreed point on the territory of the inspected State Party. Periods of inspection may be extended by agreement with a representative of the inspected State Party. The necessity and duration of operations related to drilling for the purposes of identifying an ambiguous events as a nuclear test shall be determined by the Director-General and approved by the Executive Council.]

Post Inspection Briefing

62. Upon completion of an inspection the inspection team shall meet with representatives of the inspected State Party and the personnel responsible for the inspection site to review the preliminary findings of the inspection team and to clarify any ambiguities. The inspection team shall provide to the representatives of the inspected State Party its preliminary findings in written form according to a standardized format, together with a list of any samples and other material [which the inspected State Party has allowed] to be taken off-site. The document shall be signed by the head of the inspection team. In order to indicate that he or she has taken notice of the contents of the document, the representative of the inspected State Party shall countersign the document. The meeting shall be completed not later than 24 hours after the completion of the inspection.
