Mr. Speaker: I declare the motion lost.

Hon. David Crombie (Minister of Indian Affairs and Northern Development) moves that Bill C-31, an Act to amend the Indian Act, as reported (with amendments) from the Standing Committee on Indian Affairs and Northern Development be concurred in.

Mr. Speaker: Is it the pleasure of the House to adopt the motion?

Some Hon. Members: On division.

Motion agreed to.

Hon. Warren Allmand (Notre-Dame-de-Grâce-Lachine East): Mr. Speaker, I rise on a point of order. I want the record to show that I was present today but did not vote for or against the amendments because I believe the Bill to be seriously defective and that it should be sent back to committee for further consultation with the peoples affected.
