

*Mr. Stewart (Leeds)**—On Friday next—ADDRESS—For a copy of all correspondence, telegrams, resolutions, orders in council, reports or other documents in the custody of any department of the Government of Canada or of the Joint International Waterways Commission in any way relating to the construction or maintenance of a dam in the South Sault Rapids of the River St. Lawrence between Barnhart Island and the main shore of said river in the State of New York.

*Mr. Stewart (Leeds)**—On Friday next—ADDRESS—For a copy of all correspondence, telegrams, orders in council, reports, resolutions, agreements or other documents in the custody of any department of the Government of Canada or of the Joint International Waterways Commission in any way relating to the diversion of water for power purposes at or near Massena in the State of New York.

*Mr. Church**—On Friday next—ADDRESS—For a copy of all correspondence, telegrams, orders in council, reports and all other material between the Government of Canada and the Government of Alberta since the last session of Parliament relating to the natural resources question;

And also relating to the return of the natural resources of Saskatchewan, Manitoba, and British Columbia to those provinces by the Dominion.

*Mr. Church**—On Friday next—ADDRESS—For a copy of all correspondence, telegrams and orders in council between the Government of Mexico or Mexican railways, and the Government of Canada or the Canadian National Railways, asking for the loan of Sir Henry Thornton, president of the Canadian National Railways, to report on the railways situation in Mexico;

And also for all correspondence between the Government of Canada and any person or persons objecting to the aforesaid and objecting to the utterances and letters of the Mexican Consul at Toronto, L. Medina Barron, on the same subject.

Mr. Adshead—On Friday next—PROPOSED RESOLUTION—That, in the opinion of this House, the time is opportune that, according to agreement, the Government of Canada should discuss with the Government of Great Britain, the desirability of Canada accepting Article 36 of the Statutes of the Permanent Court of International Justice providing for Compulsory Arbitration in International Disputes.

Mr. Ross (Moose Jaw)—On Friday next—PROPOSED RESOLUTION—Whereas Linseed Oil is the most important commodity derived from Flax Seed and whereas research to date in Canada and in the United States has been able to evolve a simple and practical method of determining the oil content of Flax Seed,

Therefore be it resolved—That, in the opinion of this House, the National Council of Industrial and Scientific Research in conjunction with the Board of Grain Commissioners, be asked to investigate and report on the feasibility of utilizing the oil content of Flax Seed as a basic factor in the grading of that product.

Mr. Arthurs—On Friday next—PROPOSED RESOLUTION—That, in the opinion of this House,—1. Our immigration has not been satisfactory for some years.

2. That steps should be taken to secure as far as possible a larger proportion of Anglo-Saxon immigrants and to decrease the proportion from Southern Europe.
