Your Highness:-

While it is not possible for me to attend the functions to be held at Aligarh in celebration of the jubilee of your University, ~~but~~ I am glad that the distance which separates us is not too great for me to transmit my congratulations.

Perhaps never in the history of the world was there a time when the cause of education was of such supreme importance, for upon it almost alone seems to depend the peace and security of the world. It is a cause which knows no barriers of religion or of race, and it is with deep sincerity that I offer on behalf of McGill University, as well as for myself the best wishes for the future of the Institution of which you are the head.

H. W. The Begum of Bhopal I have the honour to be, Your Highness,
Chancellor Aligarh Muslim University
