

14 JOHN STREET
NEW YORK

Jan. 25. 22.

Dear Sir Arthur Lewis,

The paper mentions that you
are to speak in Philadelphia on
Feb. 22, Washington's Birthday,

It would give me great plea-
sure, if you would allow me to
give you a luncheon here at The
Ritz, to which I would invite the
three University heads in New York,
the British and Danish Consuls-General,
and a few distinguished friends.
