

Facilities offered by the Rothamsted Experimental Station,
Harpenden, England, to candidates for Research Degrees.

The University of Cambridge is prepared to give favourable consideration to each individual case of applicants who desire to carry out at Rothamsted a portion of their work for the following Degrees:- M.Sc., Ph.D.

The University of London has accepted the Rothamsted Experimental Station as a "Recognised Institution" from which Research workers may submit work done at Rothamsted for the following degrees:- M.Sc., Ph.D., D.Sc.

A brief precis of the most important conditions that must be fulfilled by candidates is given below for general guidance.

Intending workers at Rothamsted are strongly advised in the first instance to send a full account of their academic qualifications and training to the Director, as the candidate will be allowed to enter his thesis only if these qualifications are acceptable to the University Senate.

The general conditions imposed by the University regulations are briefly:-

(1) Cambridge. These degrees are granted in full to men only; under certain limitations the titles of degrees are open to women without the privileges which the degree confers in the University.

M.Sc. A minimum residence of five terms at Cambridge and one at Rothamsted. Thesis to be presented not earlier than sixth and not later than twelfth term from term of admission as a research student.

Ph.D. A minimum residence of six terms at Cambridge and three at Rothamsted. Thesis normally to be presented not earlier than ninth term and not later than twelfth term from term of admission as a research student. In special cases permission may be sought to present the thesis after the sixth term.

Note:- Three consecutive terms at Cambridge constitute a year.
