SELLS RESIDENCE ON JOHN STREET

Number 168 John street, just nort of Queen street, has been sold by Sarah Davis to Triphinie Cairn for \$7500. The dimensions of the lot are 26 feet, 6 inches by 100 feet, and the assessment on the land is at the rate of \$115 a foot, while the building assessment is \$1600.

CORNER OF GEORGE AND SHUTER SOLD

The southeast corner of George and Shuter streets has changed hands at \$7500. The property is known as 211 George street and has 16 feet 4 inches frontage by a depth of 74 feet 11 inches. The assessment on the land is \$3360, but there is no building on the property. James and Thomas H. Bishop were the owners and sold to Sarah Taylor.

BUILDERS ARE BUSY IN REGENTS PARK

Builders are operating extensively in Regents Park. One contractor, F. G. Edwards, is busy putting up sixbe on the market. All the he which the owners of Regents Park the Dovercourt Land, Bullding & Savings Company, have erected them-selves, are being taken up rapidly.

No one thing will make you so much money in so short a time on such a small investment as will the purchase of a

Port Weller

Original **Townsite**

Ten Reasons Why You Should Buy Port Weller Lots:

Because Port Weller is to be b Because Port Weller is to be the official townsite at the Lake Ontario entrance to the new Welland Ship Canal.

Because the Dominion Government are spending \$55,000,000 to build one of the greatest canals in the world, and because every dollar of this money will help Port Weller to grow Weller to grow. Because Port Weller will

duplicate St. Catharines, Welland and Niagara Falls. Because property on the main street in these towns is today worth \$300 per foot, which ten years ago could have been purchased for \$30 per foot. Because only once in a life-time in Ontario is an original townsite property "which promises to become a city offered for sale.

Because the Canadian Gov-ernment is building the canal, and the canal will build Port Weller.

Because every successful original townsite property in Canada has made fortunes for the lucky investor.
Because railway facilities, water transportation and cheap electric power com-bine to make Port Weller not only a great Inland Sea Port but a great industrial centre Because you want to make

(10) Because Port Weller lots will make you more money than any other investment rty on the Canadian market.

Prices are still low-from \$5.00 per foot up on the easiest of terms-as low as \$5.00 per month.

Have You Foresight Enough to grasp this opportunity and make the profit which will go to the OTHER FELLOW if you don't get

Tomorrow Will Be Too Late EVERY DAY means a day nearer the close of this unique and remark-

able original townsite sale. ACT TODAY

FRANK BOTT, 707 Kent Building. Ade-laide 255. Evenings N. 5380. 671

ume history of Canada, the most ambitious work of this character yet projected. As a protound student of history, Dr. Shortt has devoted special attention to the mother country's handling of diplomatic issues affecting Canadian interests. It is said that he will have fresh views to express regarding the settlement of past boundary and other disputes with the United States. Dr. Shortt, formerly of Queen's University, is best known as chairman of the federaletivil service commission. He is an authority on taxation, labor disputes, tariff, banking and other economic questions. WANTED—About half acre or more with small dwelling, between West Toronto and Islangton; will give eleven hundred equity in excellent brick, new, 6 roomed dwelling, northwest section, Toronto, part payment.

WANTED—About half acre near Mount Dennis, with good, six roomed dwelling thereon, where can raise poultry; will pay five hundred cash, balance secured.

OWNERS send particulars 1538 Bloom, corner Dundas street.

MINNEAPOLIS. Minn.. Nov. 7.—
(Can. Press).—"Public immorality is a problem with which the States must deal," said Herbert S. Gernert, of New York, in the principal address at the opening session of the International Purity Congress here today.

The state police powers are unlimited, while the outlay by each to control the evil would be comparatively small. The state police powers are unlimited, while the outlay by each to control the evil would be comparatively small.

"A commission of morals should be established in each state, whose duty it would be to take cognizance of the words. For countman's world, with women and children secluded in the home. When cities fully realize the value of women in preventive work, there will be such women in every city."

Addresses were made by W.L. Clark, of Leanington, Ont, and Rev. Charles W. Gordon, of Winnipeg, Man.
