Health of body, strength of mind, steadiness of nerves are the best and most precious gifts man can lay upon the altar of his conjugal love. Restorine operates on the nerves which control the sexual system, and infuse into it, power and vigor. No such thing as failure in life, is possible in perfect manhood; it is the lack of vital force, and the depletion of sexual energies that makes failures of many the control of th of men. Restorine awakens a man to a sense of restored vitality and power. Why be weak when you can so easily become strong? Proofs are the test. Sworn testimonials sent to any one on receipt of name. For forty years I nave been making strong, vigorous men out of the puniest weaklings. A man comes to me weak, nervous, despondent and discouraged; with Drains, Louses, Impotency, Varicocele, Rheumatism, Lame Sack, Kidney or Stomach Troubles. I give him my world-famed Dr. Sanden Electric Belt, with suspensory, absolutely free, to use for two months. Mind you, not one penny in advance or on deposit. A few nights' use convinces him that he has found the right remedy. It fills him with new life, joy, vigor, and strength, and at the end of the time he is only too glad to pay me for the Belt and to recommendit to his friends. For forty years I have been make it to his friends.

This is the way I care men. This is the way thousands every year egain their lost strength, without the slightest risk to themselve if I fail it costs you nothing what ever. You pay me only when cured, and in many cases the cost is only \$5.00; or, if you want to pay cash, full wholesale discount.

My great success has brought forth many imitations of my Belt but my great knowledge, gained by forty years experience, to guide and advise my patients, is mine alone, and is given freely with the Belt.
