Base on Balls Downfall of Leafs in Opener - Locals Hit Well.

Special to The Toronto World. NEWARK, N.J., April 28 .- Toronto and Newark figured here today in a delayed opening of the baseball season, the indians winning out in the tenth innings. to the tune of 4 runs to 3.

A crowd of about four thousand Yans turned out to witness the ceremonies: the fact that many had arranged to view the opening yesterday when rain pre vented the lid from being pried off and also that the weather was cold and threatening today probably served to keep the crowd down. Everything taken

also that the weather was cold and threatening today probably served to leep the crowd down. Everything taken into consideration Fred Tenney and James Price, owners of the club, expressed themselves as being perfectly actisfied with the welcome the indians received on their return to town. The usual preliminaries were staged previous to the call of the game. Once the battle got under way both teams hustled every minute and completed the ten finnings in one hour and fifty, minutes. President Barrow was on hand, as were Lawrence Solman and James J. McCaffery of the Toronto club. Mayor-Raymond, who was stated to pitch the first ball, was delayed at the city hall and did not arrivo until after Elmer Day, city treasurer, had started the season going by tossing the ball from a box.

The Maple Leafs were competied to play an uphill game from the start. Walter Manning went the route for the Hedskins. Manning was strong after the first innings. A pass given to Hal Cable in Newski's half of the cent was his undoing.

Heavy hitting honors went to the Leafs. Brackett, Manning mad Blackburne each connected for doubles. To ronto's downfall. Cable tallied three first tally over the platte, and talls of the cent on the plate by Witter. Cable brought the plate by Witter the platter and also scored the one that decided the battle.

Gable, the first man to face Manning, siammed a single to left and Mowe sacrificed him along. Milan walked and witter sent Cable over the pan by slamming a single to right, Milan reached third on the rap and scored on outs by Graham and Blackburne.

In the fifth Cable singled, reached second on Mowe's free ticket and tallied on Milan's rap. In the sexth the was too hot for Witter to handle. With a two down and sent two runners and Cable that we down and sent two runners and Cable that we down and sent two runners and Cable that we down and sent two runners and Cable that we down and sent two runner

BASEBALL AT COBOURG.

COBOURG, April 28.—In a game of baseball here the 139th Battalion team beat the seniors of the Methodist Church by a small margin, which was reversed by the seniors in another game. The Cobourg heavy battery team is also in line and there will probably be some interesting ball during the next few weeks.

Hamilton Already Fixing Up the Rugby

HAMILTON, April 28;—Altho an announcement that Rugby football matters with regard to next fall are claiming attention of no small proportions at the present time may seem a little premature, it is, nevertheless, quite true. If the present plans are carried out, as undoubtedly they will be, a league that will be in e-very respect-worthy will succeed the Rig Four, which, owing to the war, will suspend operations.

Montreal and Ottawa have already announced that they are out of the Interprovincial, the reason being that the mainstays of the club have donned the khaki, and they in turn are giving attention to the probability of a military league, which would embrace teams made up from members of and representing the Irish Rangers of Montreal, the 180th Sportsman's Battalion of Toronto, and the 205th Sportsmen's Battalion of Hamilton.

ilton.

Sinc McEvenue, a lieutenant of the Montreal unit; King Clancy, who needs no introduction to Hamilton football fans; Captain Ernie Laidiaw of the 186th Battalion, Toronto, and Captain H. M. Potticary of the local Sportsmen's Battalion, the 205th, are at present negotiating regarding the proposed league, and within a week or ten days a definite announcement will be made. It is intended to play home-and-home games, and, with the interest in military matters as tense as it is at the present, and will be in the fall, all expenses will be easily taken care of by receipts from the games.

BEAVER BATTALION BEAT ST. MICHAELS

The baseball tcam of the Beaver Battalion got away for a fine start yesterday afterneon when they beat the boys of St. Michael's College by a score of 8-7. The Beavers had a bad scare when they put Gadsden in the box in the first innings to try him out. In this innings St. Mike's scored five runs, but for the balance of the game Lance-Corp. R. H. Stanley, formerly of the Capitals, pitched faultless ball and held the collegians down to two runs. Two base hits were made by Stanley, Potts and Latimer for the 204th, and Travers for St. Michaels. The batteries were: Beavers—Gadsden, Stanley and Chandler; St. Michaels—Woods, Nunan and Travis. The Beavers are well pleased with the showing of their men, and Lance-Corp. Stanley, captain of the team, has every confidence that he will be able to put a first-class team in the field for the battalion championship to be held later on.

CITY PLAYGROUNDS VOLLEYBALL The first senior girls' volleyball tournament was held at McCormick Recreation Centre, with East Riverdale, McCormick, Moss Park and St. Andrews competing. The first round brought McCormick and St. Andrews together in the first game and Moss Park and East Hiverdale in the second. The first game. Was a splendid exhibition of volleyball. Not only was it the best of the tournament, but the best of the year. The scores were 15-14, 9-15, 15-12. Moss Park won the second from East Riverdale 15-7, 15-12. The Riverdale girls are used to a small floor and altho they came strong in the second game the handicap was too great. St. Andrews won the final game from Moss Park 15-11, 15-12.

St. Andrew's team: A. Miller, B. Muller, K. Berosky, L. Tribe, E. Shatsky, D. Seymour,
Moss Park team: E. Vail, L. Perry, R. Perry, S. Gutzen, Y. Grossman, V. Quackenbush.

President McCaffery of the Leafs received the following telegram from Mayor Church in Newark yesterday:

"Please accept my very best wishes to Toronto baseball team for a most successful season. Hope you win today's game and the pennant. Toronto is proud of what you all have done. We deeply appreciate your splendid services to our city. The Newark Club are good fair sportsmen. I wish them a successful season also. Invite Newark's mayor and Newark club president to come here for opening game and be city's guests; good inck and best wishes."

INTER-PLAYGROUND BILLIARDS.

The second annual inter-playground billiard tournament between McCormick and Moss Park finished very closely last night in favor of Moss Park. At the beginning of the night's play McCormick were 63 points in the lead, and with the advantage of home games they appeared to be the winners. In the junior division McCormick were represented by Mercer, Harris, Cook, Fleming, Clarke, Lindon, Lindon and Brooks, who won three out of eight games. The Moss Park players were: Weller, Johnson, Harrington, Fitzgerald, Arbour, Rosen, Shaw and McKean. In the senior division, Dickson, Kinsey, White and Reeves, for McCormick, won one game, while Phillips, Nugent, Rumack and Boland of Moss Park won the other three. All the games were close, the progress of the battle wavering with the announcement of each score, but in the end Moss Park had the title by only 28 points.

CARDINALS AND RERS ARE GREAT WARKERS

Over Thirty Hunting for National League Bunting-Palmero Making Good.

Emilio Palmero is pitching good ball or the Giants, and they say he resembles George Wiltse on the field. All of which recalls Wiltse's great world's series feat against the Athletics in the 1913 series on Oct. 8. Plank and

in the 1913 series on Oct. 8. Plank and Matty stood 0 to 0, and it looked as the the big master would register the third 3-to-0 victory in his career over the Gettysburg veteran.

Doyle's wild throw permitted Strunk and Barry to advance. With not a man retired, Matty steadily showed his great pitching craft. Lapp hit viciously to Wiltse at first, who caught Strunk at the plate. A right-handed first-sacker could not have done it.

Instead of resorting to a pinch-hitter for Plank, for which Mack was roundly criticized, Plank tried desperately to win his game. But he hit directly at Wiltse, who snared it over the bag, threw to McLean and retired Barry. Mathewson then made Eddie Murphy hit under a fast one. Matty won his own game with a single. He hit to deep left centre. Fletcher also singled, and Shafer's triple brought the Giants their only game. It is just such things as Palmero's likeness to Wiltse that brings out good yarns.

As was the case last year, the Phillies are straining every nerve to jump ahead, and are making quite a success of it. History is making at least a feint at repeating. Pat Moran has the same steady lot of hard workers that he directed to the pennant last season. He has a few of his pitchers in readiness, which have been sufficient to enable the Phillies to ride to the top of the standing.

A remarkable play occurred in a recent game at St. Louis between the Cardinals and Cincinnati. It happened in this way: With one out, Beck had singled and was on first base, when Smith lifted a Texas leaguer to right field. Louden and Griffith ran for it, and the former called for it. He was in an awkward position to make the catch, and the ball, striking his gloved hand, bounced out, only to be grabbed by Griffith before it reached the ground, thus completing the catch and retiring the batter. Beck, on list, secing the ball bounce out of Louden's mitt, started for second, and Griff lined the ball to Chase for a double-killing before he could get back ato first.

Cincinnati has waited 33 years for the Reds to win a pennant in the National League. They haven't won one in Cincinnati in 32 years, and the Phillies only came across after 31 years' failure. Cincinnati, however, looks as the it is coming out of its Rip Van Winkle sleep. St. Louis has not won a pennant in 32 years.

Johnny Tebin is said to be the best ball

ilke the margin claimed by some folks.

Harry Myers, the Brooklyn outfielder, a well-known figure on International League teams, has had about as many ups and downs as any player in the business. He has been sent back to the minors by Brooklyn three times in the last few years. He was born in East Liverpool. O. twenty-seven years ago, April 27. 1889, and broke into the professional ranks with Connellsville, Pa., in 1909. Before the close of the season he was sold to the Dodgers, then in charge of Harry Lumley. When Bill Dahlen took charge in 1910 he decided that Myers wasn't ripe for fast company, and turned him over to Rochester, and that club soon released him to Sloux City. He swatted the pill at a .345 gait in 1910 and his stick work helped the Sloux to win the Western League pennant. Dahlen recalled Myers to Brooklyn in 1911, but soon after the start of the season turned him over to Toronto. The Maple Leafs didn't want him, and Myers was sant to Mobile. He had a successful season in the Southern League, and was recalled to Brooklyn, but was turned over to Sloux City again in 1912. The Dodgers again manifested a hankering for harry's society toward the close of the season, but gave him to Newark in 1913. In 1914 he made his next trip to Brooklyn, and that time he stuck and won a regular outfield job. No other player in the history of the game has ever been canned and recalled by one major league club so often as Myers.
