NEW GARDEN TO BE  
TAXED TO CAPACITY

All Seats Sold For Robert  
Dundee Fight Tomorrow  
Night

NEW YORK, Jan. 13.—A complete  
sell-out of reserved seat tickets for the  
first time in history of the new Madison  
Square Garden has forecast a \$65,000  
gate for tomorrow night's 10-round  
welterweight fight between Joe Dundee,  
of Baltimore, and Eddie Roberts, of  
Tacoma, Washington.

Roberts' sensational one-round knock-  
out over Dundee, after the latter ap-  
parently had fought his way to the  
top of the challenging ranks, has not  
affected Dundee's high rating here. He  
is quoted as a favorite at odds ranging  
from 8-5 and 9-1.

The surprising confidence in Dundee's  
ability to come back has failed to  
shake the confidence of Roberts, how-  
ever. "I did it once and I can do it  
again," he observed.

Four Games Scheduled  
For N. H. L. Tonight

MONTREAL, Jan. 13.—The New  
York Americans and Canadiens will  
meet in Montreal tonight in one of the  
four National Hockey League games  
scheduled.

Ottawa Senators, leaders of the Can-  
adian division, will journey to Pitts-  
burgh, where they take on the Pit-  
tsburgh Pirates, tail enders in the United States  
section.

Toronto St. Patricks, who occupy  
the cellar position in the Canadian  
division, will play the Rangers at  
Madison Square Garden.

Windsor, Ont., will be the scene of  
the fourth game between the Boston  
Bruins and the Detroit Cougars. The  
Bruins are now tied with Chicago for  
second place in the United States sec-  
tion. A win for the Cougars would  
put them within striking distance of  
the leaders.

Aged Man Uses Toy  
Gun In Robbery

WINNIPEG, Jan. 13.—Thomas  
Thompson, 73 years old, homeless and  
the carrier of a "toy revolver" appar-  
ent in court and pleaded guilty to stealing  
\$3 from a woman who had befriended  
him. He will be sentenced in next Mon-  
day. He had pointed the toy revolver  
at the woman while committing the  
robbery.

LIVING IN CALGARY

CALGARY, Alta., Jan. 13.—Henry  
R. Serrett, former owner of a lum-  
ber company in this city and declared  
in New York despatches to be sought  
on a banking swindle, is at present re-  
siding at a daughter's residence in  
Vancouver, B. C., it was declared here  
last night. It is understood he has  
been living in the Pacific coast city  
for some months and former associ-  
ates of the lumber magnate expressed  
surprise that he was being "widely  
sought." They said there was no mys-  
tery as to his whereabouts.

ARE RECKLESS DRIVERS.

NEWARK, N. J., Jan. 13.—Red-  
headed men are reckless drivers is the  
belief of a local taxicab company, and  
hence that concern refuses to employ  
any man whose hair is red. "In our  
14 years of experience in hiring com-  
petent cab drivers, we have found that  
98 per cent. of red headed men are  
reckless drivers," said James F. Byrne,  
employment manager for the company.

Rothschilds Girl Guides  
Hold Shooting Match

Through the kindness of Lieut. R.  
Doo, of the Rothschilde Collegiate School,  
the 2nd Rothschilde Girl Guide Company  
has been receiving instruction in min-  
iature rifle shooting, and shot a match  
on the Collegiate School range on Mon-  
day under Dominion Rifle Association  
rules.

The D. C. R. A. No. 4, 20 yards tar-  
get, was used. Eleven Guides shot the  
match and the highest eight (required  
to make a team) got an average of  
77.8 per cent. Two other matches are  
to be shot during the winter and a prize  
is offered for the Guide making the  
highest aggregate. Following is the

cently unconditionally released by the  
Brooklyn Nationals, will wear the  
uniform of the Philadelphia Ameri-  
cans this season. Connie Mack, man-

stopped Al Marchant, of England, in  
the fifth round of an eight round semi-  
final.

PAOLINO AND HANSEN NEXT.

NEW YORK, Jan. 13.—The next  
bombardment by Tex Rickard's heavy-  
weight fleet has been fixed for Febru-  
ary 7. The maneuvering dreadnought  
will be Paolino Ucedo, the Span-  
ish, and Knute Hansen, mid west,  
who conquered Monte Munn.

B. Jones at Sagwa Station has been  
broken into and considerable damage  
done to windows, etc. As Mr. Jones  
is at present at his home at Riverside,

Movie Sidelights

By Associated Press

SCREEN players have favorites  
among past characterizations and  
also roles in which they are ambitious  
to appear in the future. Here are the  
parts a few liked best: Ramon  
Novarro, "Ben Hur;" Norma Shearer,  
"His Secretary;" Renee Adoree, the  
French girl in "The Big Parade;" and  
John Gilbert, his leading part in the  
same picture; Claire Windsor, her role  
in "Dance Madness;" and Allen  
Pringle, the queen in "Three Weeks."

NOW for their ambitions. Novarro  
wants to act the part of "Sir Gal-  
hadi;" Miss Shearer, "Portia;" Miss  
Adoree, "Joan of Arc;" Gilbert, a Ger-  
man soldier in another war picture;  
Miss Windsor, "Iris" in "The Green  
Hat;" and Miss Pringle, "Madame  
Bovary" and "Anna Karenina."

SHIP stoker to film star, is the ex-  
perience of Gardner James, who ar-  
rived in Hollywood from New York a  
year ago, and is now hailed as a "find"  
of the studio. As a child, James played  
parts on the speaking stage. He says  
he went to sea for adventure.

"SUCCESS in making motion pictures  
depends as much on a dozen other  
modern inventions," says Director  
Michael Curtiz, "as it does on the cam-  
era, sets, projection, and other motion  
picture elements. The telephone and  
radio, for instance, make it easy to  
preserve the unities of time and place."

A REMOTE control camera was  
used for the first time on record  
during the filming of "Wings." Be-  
cause of explosives, Harry Perry, head  
cameraman, was forbidden to remain  
within 500 yards of the line of action  
so he shot the sequence with the aid  
of an electric switch. The camera  
was protected by steel turrets and elec-  
trically driven.

VILLAINS have a way of becoming  
heroes. Wallace Berry, of years ago  
screen bad man, has been hero of  
"Behind the Front" and "We're In  
the Navy."

VERDICT OF \$1,500

Sum Awarded Mother For Life  
of Baby Actress Killed by Car

NEW YORK, Jan. 13.—A jury in  
the Supreme Court has placed a val-  
uation of \$1,500 on the life of Ruth  
Seaman, four and a half year-old mo-  
tion picture actress, who was killed by  
an automobile on July 27, 1924.

The plaintiff was Mrs. Ruth C. Sea-  
man, the mother, who sued for  
\$100,000. The defendant was Jesse  
Smith, retired wholesale grocer of  
Rutherford, N. J., whose car was being  
driven by his son, Howard C. Smith,  
at the time of the accident. Mrs. Sea-  
man testified that her daughter had a  
contract for \$5,000 with a motion pic-  
ture company and that Ruth was a  
child actress of great promise. Wit-  
nesses testified that the child was play-  
ing on the sidewalk when the car ran  
her down.

Ask Death Penalty  
For Chicago Youths

CHICAGO, Jan. 13.—Nine boys, be-  
tween the ages of 17 and 19, yester-  
day heard the state ask the death pen-  
alty for them all in payment for the  
life of Stanley Ciesla, father of two  
children, whom they are accused of  
having robbed and slain. The boys,  
apparently bewildered by court proce-  
dure and legal phrases beyond their  
understanding, manifested only slight in-  
terest during the long hours of ex-  
amination necessary to produce a jury,  
which was pledged to exact the death  
penalty for murder if proved.

BISHOP WHITE VISITS

LONDON.—Bishop Alma White,  
founder and head of the Pillar of  
Fire Church in America, has arrived  
in London primarily to visit her founda-  
tion at Brent Green, Hendon, near  
London.

Educational advancement is one of  
the principal interests of Bishop  
White, who stands six feet in height,  
and she has also founded a school at  
Hendon, which will be similar to the  
many schools and colleges she has es-  
tablished in the United States. Bishop  
White brought her own automobile, in  
which she will tour the country.

HIP-BONE WAISTLINES

While some low and some high  
waistlines are seen, the best designers  
are placing the line just at the hip-  
bone in most evening and afternoon  
dresses.
