BIG DROP IN THE MONTREAL CUSTOMS RETURNS

Montreal, May 2—Revenue for the month of April collected by the Customs and Excise Departments district of Montreal, amounted to \$6,001,892, which was \$3,120,838 less than that collected for the corresponding month last year. Reason for the decrease is given as great reduction in importations, whilst the cost of the goods being less, there is a reduced duty to pay on many articles.

Helps digestion

Thousands of men and women have found relief from various digestive disturbances by using Fleischmann's Yeast. It is human nature to want to find out "why." So far as science can tell us this is the reason: Fleischmann's Yeast is a food abundant in certain elements which are necessary to health and life itself. It promotes the flow of bile and of pancreatic juice. It has a remarkably beneficial effect on the whole digestive process. It cleans a coated tongue.

Try Fleischmann's fresh yeast in orange juice or in milk. Men like it in milk shakes and malted milk. Women like it spread on bread or crackers. Keep your digestion in the pink of condition and your tongue clean and healthy by eating 2 or 3 cakes of Fleischmann's Yeast fresh every day before or between meals. Secure it in the familiar tin-foil package with the yellow label. Place a standing order with your grocer today.

MORE NEW EVIDENCE. Further new evidence for the defence was introduced yesterday in the circuit court, where John Paris is on trial for the third time, charged with the murder of nine-year-old Sodie McAuley at or near Riverview Park on August 2, 1921. Judge J. H. Barry is presiding. Isaac Allen swore that he picked Paris up at Moose Creek bridge and brought him to Truro on the morning of August 3 in a motor truck. Norman S. Carter, corroborated evidence given by Mr. Allen regarding dates on which he brought meat to Truro. George Murray, former employe in Nichols' garage, told of seeing Paris in the garage and said that Paris apparently sold Nichols some gasoline. Stanley Nichols swore he bought about five gallons of gasoline from Paris on August 2 in his garage in Truro. The cross-examination of Mr. Nichols had not been concluded when the court adjourned last evening.

NICENE CRED IS SUPPORTED BY BISHOPS. Toronto, May 2—The government of Ontario was sustained by a vote of 42 to 29 on the division in connection with the budget.

BETTER THAN HARD COAL

Soft coal so free from soot that it does not make whisks on stove covers or pipe and does not make a fire when burning. It is far better than Hard Coal for general household use. Quicker to light, takes less to make a fire, cheaper in price and can also be used for open fires and small heating stoves. Such a coal is Broad Cove soft coal. The main thing to insist on getting the genuine article. No other soft coal burns just like Broad Cove. You will know it by the above characteristics.

Charges of extravagance and unsound business methods made against the Free Kindergarten Association by Mrs. J. W. V. Lawlor were declared unfounded by the committee appointed to investigate them, and a third charge of incorrect statement was explained at a meeting of the association yesterday. It was decided to enlarge the advisory board and a committee was appointed to revise the constitution. The opening of a kindergarten was arranged in West St. John. The report of the supervisor was heard. Plans were made for holding a rummage sale to replenish the funds. It was announced that additions had been made to the advisory board, if the association approved, as follows: C. A. Conlon, L. W. Simms, J. W. Fiewelling, R. A. McAvity and J. F. Britain. The selection was approved by the meeting. In connection with the report of the investigation committee, Mrs. Lawlor dissented and announced that she would take the matter up with city hall.

BANNER PIPELESS FURNACES

Less Coal Gives Greater Warmth "It has more than fulfilled our expectations. We have had a comfortably heated house throughout, and besides we burned less coal." This extract from a letter signed, "K. J. MacDonald, Minister First Church," refers to the Banner Pipeless Furnace in the First Presbyterian Church Manse. Galt—a large exposed building. Such testimony proves beyond all question that Banner Pipeless Furnaces do all we claim.

Let us tell you all about the Banner Pipeless Heating System. Write to-day for booklet "Winter Comfort for Your Home." The Galt Stove and Furnace Company, Ltd., Galt, Ont.
