### THE SOLDIER VOTE

Winnipeg, June 14.—A majority of the registered voters of Manitoba are returned men or their kins, according to Leo Wardle, president of the Manitoba command of the Great War Veterans' Association, who bases his statements on reports received from all parts of the province. The returned men control fifty-six per cent of the voters and they will insist that men of character be nominated by the different parties. Only those whose platform and character meet with approval will be favored by the returned men. Mr. Wardle states: "We are not out to run the country, but we do intend to direct its policy. We have now the power to put the right people in office, and we shall take advantage of our opportunity or forever hold our peace."
