MRS. FITZRANDOLPH WINS HER CASE

Fredericton, July 24—The jury after over two hours, in the case of Charles Fitzrandolph vs. Elizabeth Fitzrandolph, before the New Brunswick Divorce court this afternoon brought in a verdict declaring the defendant guilty of adultery.

After the verdict was rendered, Dr. J. B. Baxter, K. C., for the defence, moved for the dismissal of the libel, and such dismissal was ordered by Judge Crockett. The case was the first to be tried by jury in the divorce court of this province.

It was tried previously by Judge Crockett who granted a divorce, but his decision was reversed by the supreme court of the province on appeal.

M. G. Teed, K. C., counsel for the plaintiff, completed his address to the jury, after which Judge Crockett charged the jury, taking up the evidence in detail.

The jury went out some minutes before 6 o'clock and returned after 7 o'clock when the verdict was announced through the foreman, Gordon Grant. Eight questions were put to the jury by his honor, all of them relating to adulterous conduct with co-respondents.

They were answered so the jury in favor of the defendant, five unanimously and three with a decided majority.

LETTER CARRIERS OF TORONTO WILL NOT GO ON STRIKE

Satisfied, for Present, With News From Ottawa But Look For More Money Later.

Toronto, July 24—All danger of a strike of the letter carriers of Toronto apparently is off. They had demanded information from the department at Ottawa as to the salary and bonus under which they were working, upon which question they seemed to be very much in the dark, and had intimated that if this information were not forthcoming today they would go on strike on Friday.

The information came, and was delivered by Postmaster Lemon at a meeting of the letter carriers tonight. He had received it through Deputy Postmaster-General Coulter.

It was to the effect that the letter carriers here were working on the old salary basis of \$989 per annum, and that the bonus which had been cut off would be paid at the rate of \$420 a year, semi-monthly, the bonus to be retroactive from April 1.

Under the new salary regulations, which have not yet become law, but are expected to become law soon, no letter carrier is to receive less than he received heretofore. It was announced that this is the assurance of the postmaster-general.

At present they are satisfied with the information they have received, but are not satisfied with the amount of money they are being paid. However, they will stay on the job, hoping that they will eventually get what they want.

TORONTO MACHINISTS RETURNING TO WORK

Toronto, July 25—After a joint conference between the representatives of the metal trades strikers and the employers yesterday afternoon, it was said by James G. Merrick, secretary of the Toronto Employers' Association, that the strike had failed to attain its end, and that the machinists and pattern makers had decided to return to work on the terms of the forty-eight hour week with the fifty hours' pay.

The strike has lasted more than two months. Toronto, July 25—Prominent members of the metal trades council last night repudiated a statement of J. C. Merrick, secretary of the employers' association, that the metal workers' strike had been practically ended.

They stated that forty-three firms had signed with the metal trades council, independently of the employers' association and that the number involved was 1,700. They concluded that 4,000 metal workers were still on strike, out of 6,500 who went out on May 1.

WARN RETURNED MEN AGAINST ORGANIZATIONS SEEKING TO EXPLOIT THEM

Montreal, July 25—The first meeting of the Canadian Workers' Federation of Returned Soldiers and Sailors was held last evening at Maisonneuve. When the aims of the organization were approved by a large crowd.

A warning was uttered against the returned soldiers having anything to do with the industrial council or any organization with the one big union complexion, it being said that these organizations were trying to exploit the returned men, and were in the main composed of a revolutionary element which at the critical period of the war had done all it could to hamper the production of war materials so badly needed by the men at the front.

SOME 100,000 ONTARIO CARS

In Toronto There Are 17,171 Automobile Licenses Issued

Toronto, July 25—Farmers are coming into their own insofar as the possession of motor cars is concerned. During the last five years the increase in the number of cars owned by farmers has been phenomenal. Statistics contained in the report of the Department of Highways for last year testify as to the many farmers that are replacing the horse with the motor car for pleasure and utility.

The report of the department shows that of 104,699 passenger cars owned in the province last year, 64,900 of them were owned in towns, villages and townships, and only 39,799 in the cities. Of the number owned in cities less than half were in Toronto, or 17,171. There was a total registration of 108,374 cars in the province, including 7,229 motor trucks. There was an increase of 25,284 in the number of cars of all kinds registered in the province in 1918 over the previous year.

POLICE COURT.

The case against William M. Crowley, who was charged with assaulting his wife, was resumed yesterday afternoon and the defendant was fined \$25, but was held in jail on a civil charge.

The case of Raymond Simonds, charged with supplying liquor to a soldier, who also stated that he had lost \$70 in the accused's shoe shine parlor, was brought up, but was postponed until Monday at 11 o'clock. Simonds was allowed to go until Monday upon leaving his deposit of \$120.

Mrs. MacNutt and Mrs. Shaffner, charged some time ago with neglecting their children, reported again this afternoon and were allowed to go on condition that they would report again next Thursday.

The Most Worshipful Grand Mistress Mrs. G. O. Akery of L. O. B. A., accompanied by Mrs. J. Silliphant, worthy mistress of Cullin Lodge, and Miss Maude Kierstead, secretary of Cullin Lodge, left for Ottawa last evening to attend a grand lodge meeting.

GERMANS CUT FRENCH PRICES

Seek Business at Figures Below Those of French Manufacturers

Paris, July 25—(By the Associated Press)—Germans, through agents and by circulars, are offering cut prices, bicycles and other articles on the French market 75 per cent below French manufacturers' cost prices, according to a statement made yesterday during a debate in the Chamber of Deputies. Soldiers who have returned from the occupied regions of Germany, it was alleged, are calling on French merchants and trying to sell them German jewelry, drugs, thermometers, cutlery and bicycles.

It was said that some officers, as well as soldiers, are awaiting court martial for engaging in this trade.

Joseph Clausaul, Socialist deputy, declared that the military authorities were permitting commercial propaganda in France by the Germans while the responsiveness of French merchants is still being subjected to control.

FRENCH ELECTIONS TO START IN OCTOBER

Paris, July 24—Elections for a new French parliament will probably be held October 12. Six hundred deputies only will be elected on the 12th. In the municipal elections the first balloting will be held on October 19, and the second a fortnight later.

The election of senatorial delegates has been tentatively fixed for November 10, and the election of senators for November 23. Many necessary supplementary elections will be held November 30.

DANCE ENJOYED.

Much enjoyment was taken last evening in a dance at the clubhouse of the R. K. Y. C. at Millidgeville in honor of some ten or twelve returned soldiers. The clubhouse was prettily decorated for the event. A pleasing programme of dances was carried out and light refreshments served. Mr. and Mrs. F. J. Nisbet were chaperones.
