Dismisses Umpire.
Umpire Phyle of the International League, was discharged before the start of a game in Rochester yesterday by John Conway Toole, president. As a result two other umpires officiating at the series refused to carry on, and said that there would in all probability be a strike as a result of the president's action. The reversing of a decision in a game in Rochester Sunday was thought to have been the cause of the trouble.

ST. JOHN OARSMEN
AWAY LAST NIGHT
FOR PICTOU RACES

Several of St. John's promising young oarsmen left last evening for Pictou, N. S. where they will compete tomorrow and on Thursday in aquatic events in connection with the Hector celebration. Those going were Willie Logan, Granville McCavour, Harry Gregory, intermediate champion of the Maritime Provinces, and a four oared crew from the Millsideville Club. Their shells were forwarded yesterday morning in a special baggage car and on their arrival today the boys were expected to row over the course and familiarize themselves with conditions. Some friends of the scullers accompanied them. The work of the local young oarsmen will be watched with keen interest as they are to compete with some of the best young rowers of Halifax.

SAINTS AND
VETS TONIGHT IN
LEAGUE MATCH

Tonight St. Peter's and the G. W. V. A. nine will meet in a regular league match at St. Peter's. The game should be a bitter contest as both teams are deeply anxious to win and close in with Frederick before the termination of the first series. St. Peter's have a good chance to win the first series as they have several postponed games with Frederick. It was announced this morning that Kirkpatrick's suspension had been lifted and that either he or Tippetts would oppose the Saints this evening. It was not known who would pitch for St. Peter's but Hansen was mentioned as the probable choice.

ROD AND GUN.

With a special cover, numerous good photographs, and interesting articles and stories, the July issue of Rod and Gun in Canada is a particularly good one. "Six Days with Paddle and Pack on the Steel River" is a good story of an interesting trip by Douglas Haine. "Outing with the Fontinels" by J. E. Richardson is also one of the outstanding features of this issue, while "Excitement with a Sailing Game" by G. P. Sladen, and "Fishing by the Way in Canada" are only a few of the absorbing stories and articles by experienced men. The favorite contributors who appear regularly have their various departments brim full with material of interest and practical advice and information. Bonycastle Dale, R. P. Lincoln, W. C. Motey, C. S. Landis, and J. W. Winslow appear in the July issue while the sixth in the series of "Close Calls" by Marten Hunter, and the concluding installment of the serial "Men of the Hudson's Bay Company" by N. M. W. J. McKenzie will be of interest to all who have followed this fine story. The new department "Outdoor Talk" which is an especially interesting section of the magazine, together with a host of other articles and stories make the July number one which no fisherman, sportsman, tourist or general sportsman can afford to miss. Rod and Gun in Canada is published monthly at Woodstock, Ontario, by W. J. Taylor, Limited.
