

BIBLE CLASS REPORT.

The year has been on the whole a prosperous one with the class. We have been in session every Sunday, with the exception of a few weeks in the very hot weather, and the attendance very good.

The total number of names on the roll is ninety-three.

In February the class held a social jointly with the Young Men's Circle, at which the organist, Miss E. Crawford, was presented with a gold watch and chain, in token of the classes appreciation of her disinterested labors in the service of praise.

When the class re-assembled in September after a brief vacation, we had the pleasure of welcoming our Pastor again in our midst, although we parted with Mr. Woods with regret.

Three months' trial of the *Westminster Quarterly* has proved so satisfactory that one hundred copies have been ordered for 1890.

The officers for the ensuing year are :

Secretary,	-	-	Mr. A. Leslie.
Librarian,	-	-	Mr. W. B. Gillespie.
Treasurer,	-	-	Mr. O. Leslie.

(Signed), E. GOURLAY,
Retiring Secretary.
