spite of the retrenchment of the Education grant, steers on the vessel of Methodist Education towards clearer waters and brighter days.

Our Saboath schools show signs of marked progress. Let us make use of all those helps as Berean Leaves, etc., in training the children up in the nurture and admonition of the Lord. gently taught and studied, that being rooted and grounded in the things pertaining to our most holy faith, they should be preserved from the insidious errors to which they may become exposed, and able to give an answer

for the hope which is within them.

Our Epworth Leagues are throbbing with life and energy, and becoming a great power in the Church. In closing we desire to call your serious attention to the sanctity of the Sabbath Day. God's ancient people were exhorted by Isaiah the prophet to abstain from doing their own work, and speaking their own words on his holy day. "Remember the Sabbath day to keep it holy," is still binding upon us as when uttered from Sinai's Mount by Jehovah. Whilst in some communities there seems an utter disregard of this divine precept, we beseech you to keep the law of thy God and like the apostle John at Patmos, be in the Spirit on the Lord's day.

Finally dear brethren we beseech you to consider your calling's glorious "Be ye holy." "Blessed are the pure in heart for they shall see Let us gird ourselves afresh to the conflict. The night cometh hope. when no man can work. Be consistent and honest in all your business transactions. Let your light shine brightly that there no be uncertainty as "Now the God of Peace that brought again from the dead our Lord Jesus Christ, that great shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do His will, working in you that which is well pleasing in His sight, through Jesus Christ, to whom be the glory for ever and ever, Amen."
