VICTORIA TIMES, TUESDAY, FEBRUARY 7, 1911.

City Engineer Has Prepared Wants Interview With Messrs. Draft of the Specifica-Davey, Thomson and Behnsen on Reserve Question tions for Work

(From Saturday's Daily., The city council will on Monday evening next in special session take final action preparatory to the calling for tenders for street, paving work, in- mation to this effect will go to Messre volving an expenditure of \$750,000, and Davey, Thomson and Behnsen. Action it is the expectation of Ald. Gleason, along this line was taken by the board chairman of the streets committee that its special meeting Friday night, folchairman of the streets committee, that lowing the receipt of this letter, which It will be possible to have the contracts

iaid on the table at last evenings meeting of the council. Owing, how-ever to the fact that the aldermen have not yet had time to familiarize them-selves with it it was determined to de-lay consideration until Monday even-ing laid on the table at last evening's

Block Company, which is destrous of manager of the concern was given five minutes to address the board and then informed by the mayor that the

Futtertan mought that a street between St. Charles street and Robertson street; Hollywood Crescent between St. Charles street and Rob the reserve before the same had been between St. Charles street and 1500 ettigon street; Wildwood avenue be-tween Hollywood Cressent and Lillion street; Beachwood avenue from Holly-wood Cressent to Lillian road; Rob-erison street between Hollywood Cres-Richard McBride and the other mein-Richard McBride and the other meincent and Fairfield road; Beach road bars representing the city were quit from Robertson street to St. Charles as jealous of the interests of Victoria street; Mills street between Beach road in this matter as any others, but there and Fairfield road; Irvine road from was no use wasting "a lot of hot air Moss street to Richardson street; Carnsew street from Moss street to Richardson street; Woodland road from Moss street to Fairfield road; Durban street from Woodland road to Richardson street; Walton street from Richardson street to Fairfield road; Brooke street from Walton street east to end of street; Clifford street from Woodland road easterly. The owners upon to pay four-fifths of the cost of the cost of government might be discussed.

The city council is of the opinion that when it makes a request for an in terview with the members repre ing Victoria in the legislature that re quest should be granted; and an inti

let for the same within ten days' time. Specifications for the work have been prepared by the city engineer and were laid on the table at the city the city terms of the city asking the members of the city te mean the city council to discuss the settle-

be more intelligently discussed At last night's meeting a letter was received from T. A. Johnston, who wrote on behalf of the Ontario Asphalt ers for Victoria will use then getting a share of the city's work. The best efforts on behalf of the city with manager of the concern was given the Lieutenant Governor in Council.

"FRED DAVEY, "HENRY F. W. BEHNSEN,

then informed by the mayor that the city wolcomed competition from all guarters and advised his company sub-mitting a bid if it thought it could get should be received and filed, Aki. Moresby expressed the opinion that the mitting to be the subpurpose waiting until the governmen division of the reserve before taking action to protect the city's interests were submitted at last evening's meet- It was vital that the board should ge to the government as would be help

Asphalting and constructing curbs, ful to the city before the plans have gutters and boulevards on Lillian street been decided upon. There should be between Fairfield road and Irvine road; another letter sent to the members.

Ald. H. M. Fullerton thought that i Ald. Moresby explained that he was

not finding fault with the members but surely the council had the right to ask for an interview; and when a letter to this effect was sent to the mem bers the least they could do would be to grant the request. All that the council sought at the present time was a conference with the members so that
