(Associated Press.) Hazelton, Oct. 10 .- The second fatal clash between striking mine workers and the non-union men occurred early this morning at Oneida colliery, in Schuylkill county, twelve miles from here, when a coal and iron policeman was shot and instantly killed, and another policeman and striker dangerously wounded. In addition about a dozen of the employees of the colliery were badly injured by being stoned by strikers.

The dead man is Ralph Mills, of Beaver Mendow. Geo. Keller, of Beaver Meadows, is in the Miners' hospital here with bullet in his head.

The first began at two o'clock this merning, and reached a climax about six o'clock, when the marching strikers, mostly Hungarians, attacked the men on their way to work in the Oneida colliery, operated by Cox Bros. & Co. The marchers numbered about 300 men, women and boys. Stones were thrown and the coal and iron policemen, who endeavored to protect those on the way to work, were forced to seek shelter. No shots were fired at this time and the marchers dispersed. The second clash was the result of an

attempt on the part of the company to have a train of coal cars from the slopes moved to a breaker. The engine, which note, that the reported arrival of Li was attached to the cars, was surrounded by the men and women who stoned ed, and that confirmation has also been the engineer.
