THISTLES KEEP CUP. The McLellan cup still remains in the possession of the St. John Thistles in spite of the determined effort of the St. Stephen curlers to take the coveted piece of silverware to the border town. The score was 43 to 34. As far as rinks are concerned the two clubs broke even, each taking one. J. E. Ganong's rink obtained a lead over James Mitchell's on the third end and the Thistle skip was unable to again pass his opponent. J. Fred. Shaw, however, blanked W. L. Grant for the first four ends, scoring fwelve himself. This lead the Thistle rink increased to sixteen, at the end of the game. Shaw's eighth end was re-markable for the score of seven.
