

Woodstock Wins New World's Trotting Record Boston Beaten

Fifth Avenue Swells Love This Horse

"DOC" GETS A LUMP OF SUGAR.

This is Doc, the horse of a Fifth Ave. traffic squad policeman in New York. Double streams of automobiles pass Doc but he stands in the narrow lane between them while his master walks down to the middle of the block. When automobiles stop near him he thrusts out his nose for sugar, and many of the society women, as they leave their homes for rides in

the avenue, make sure they have sugar for Doc. Once a steam roller was working on the pavement near Doc's stand. The horse followed the roller up and down in its work and nearly pushed the engineer of his seat in an effort to coax sugar from him. His master says that Doc is the most experienced traffic horse in the country. "Not even an airship would frighten him," he declares.

UHLAN BREAKS A WORLD'S RECORD

Speedy Son of Bingen Made Mile to Wagon in 2.01 Flat, Breaking Major Delmar's Mark--Great Racing at Cleveland--New Mark for Trotting Geldings.

Cleveland, Ohio, Aug. 8.—The opening here of the second annual meeting at North Randall track and the third week of grand circuit racing today was signalized by the breaking of a world's record, Uhlán, driven by his owner, C. K. G. Hillings, trotted a mile to a wagon in 2.01 flat, thereby setting a new mark for trotting geldings. It was apparent that the son of Bingen and Blonde was out to make history when the first quarter was passed and the board showed his time to be 30 3/4. When the half and three-quarter poles were passed and the black had not fattered for an instant, the big crowd stood up and begged him to beat his old mark of 2.02 1/4. He responded nobly and clipped 1 1/2 seconds off his record. Favorites had an easy time of it in the four events on the programme. With the exception of the 2.04 pace, the races were won in straight heats with the choice of the field leading handily. The feature race, the 2.10 trot for the Fasig stake of \$2000, went to H. K. Devereaux' chestnut Teasel, Oro

Bellina who was thought to have a good chance was a bad sixth in the first heat, but came back strong in the next two and by finishing second in both instances, divided second money with Nancy Royce, the money being awarded on the result of each heat. Telemachus threw a shoe at the start of the first heat and was scratched. Velsora, the favorite in the first event of the day, the 2.13 trot, got away to a poor start, but fought her way to the lead and won. The next two heats were easy for her. By the conditions of the race only those finishing inside the money in the first two heats were to be considered. Princess and Mauds Pilot were drawn. Major Mallow took the first heat of the 2.04 pace in 2.03 3/4 coming up behind the field but was unable to arrive better than second in the next two heats, although he fought it out to the finish with Ross K, the favorite. The friend was scratched after the first heat because of sickness. Nellie Temple took the lead away from Baroness Evelyn at the half mile pole in the first heat of the 2.21 pace and in the second led all the way.

EATING AND DRINKING "RED BALL!" STOUT OR PORTER

SIMEON JONES, LTD. ST. JOHN, N. B.

JACK JOHNSON TO FIGHT IN AUSTRALIA

Chicago, Aug. 8.—Australia, the place where Jack Johnson first sprang into the championship limelight, will probably be the scene of his next encounter with anyone who seeks heavy-weight honors. The champion announced that in all probability he would head for the antipodes next summer, following his theatrical engagements in Europe. Jack said that there would be nothing doing in this country for some time, whereas he had a number of flattering offers from Hugh McIntosh, the promoter, and might close a deal with him to go to London. McIntosh is on his way to the British metropolis at present, and will remain there until Johnson arrives. Then he will unfold his plans for a fight in England or Australia. Just who his opponent may be is the last thing the title holder can think of, but he reiterates that if Langford wants a match all he need do is put up sufficient money.

INDIANS WINS

London, Aug. 8.—A catch-at-catchan wrestling match for \$1,000 a side was contested at a London music hall today between the American wrestler, Dr. B. F. Roller, and Gema, the champion of India. Gema won the first fall in one minute and forty seconds.

In order to give the fans an opportunity of seeing the fast Calais team perform, the game between the Clippers and the St. Johns scheduled for Wednesday evening will not be played.

WOODSTOCK WON ANOTHER GAME

Calais Stars Beaten by 3 to 1 in Good Game Last Evening—Peasley fanned Nine Men.

Woodstock, N. B., Aug. 8.—The Calais ball team fell by the wayside as have many others before it in the match with the locals in Connell Park this evening, the score being 3 to 1 in favor of Woodstock. The teams lined up as follows: Woodstock—Tott, c; Peasley, p; McRae, 1st; Hughes, 2nd; Neptune, 3rd; Ryan ss; Michaud, rf; Pickel, cf; Millmore, lf.

Calais—Cobb, c; Ryan, p; Rutherford, 1st; Stradman, 2nd; Leighton, 3rd; Murchie, ss; Casey, rf; Chissine, cf; Spinney, lf.

Score by innings: Calais 10000000—1 Woodstock 10020000—3

Umpire—Chas. Donnelly.

Ten hits were made off Ryan and only four hits were made off Peasley. The latter had nine strikeouts. The features of the game were Sammy Pickel's two base hit scoring Peasley and Michaud and Hughes' two base hit scoring Tott, which score was not counted and Hughes was put out for coming off first base. There was a large attendance and the weather was fine.

Malachi Kittridge the Detroit scout was present and enjoyed the game.

RUBE WADDELL GOES TO "BUSH"

Once Famous St. Louis Pitcher Falls to Second Rank—Released to Newark for Catcher Crisp.

New York, Aug. 8.—"Rube" Waddell dropped into the second rank today. In company with Pitcher Bob Spade, Waddell was released to Newark today, on an optional agreement, by the St. Louis Americans, in return for catcher Joe Crisp. Both have been ordered to report to Newark immediately, but Crisp will remain where he is until sent for.

DISSATISFACTION AMONG BALL FANS

There is a General Feeling That Dispute Over Last Friday Night's Game Was Not Fairly Settled.

There seems to be general dissatisfaction among the fans throughout the city at the methods employed by the men who are supposed to be controlling the baseball game between the St. Johns and Clippers. It is darkly hinted that in declaring last Friday night's game illegal the St. Johns were not getting the square deal. It is pointed out that some time ago the Clippers were awarded a game that was stopped by rain in the fourth inning because they were leading at the time, and many fans assert that the same rule should have been applied to Friday's game. Although admitting that the decisions in both cases emanated from men who were mutually empowered to decide all such matters, they state that the voice of the public who patronize the game, and upon whom the very existence of the sport depends, must not be ignored in the matter. To the statement made in defence of the action of the umpires in awarding the former game to the Clippers before five innings were played, that such a ruling was merely in conformity with a section of the rules which states that "if any team willfully and deliberately delays or attempts to delay the game, the umpire may award the game to the opposing team," they reply that it was plainly evident to all spectators who were present at last Friday's game that the Clippers tried to delay the game and prevent it from going the required number of innings and that they were encouraged in this unsportsmanlike conduct by certain of their supporters in the bleachers and grandstand.

KETCHEL'S SORE FOOT CAUSES POSTPONEMENT OF BOUT WITH LANG

New York, Aug. 8.—Stanley Ketchel has an inflamed foot and will not fight Australian Bill Langford Friday night at the Fairmount Athletic Club. The bout has been postponed until Tuesday, August 16.

About a week ago Ketchel chafed his right instep from lacing his shoe too tight. The next day he went canoeing and wet his feet. He thinks the green dye of his socks soaked into the sore. At any rate, the foot puffed up, became painful and had to be lanced. The inflammation did not subside, and the swelling was lanced again today.

Ketchel's doctor is not at all alarmed and expects to have his patient skipping about again in two feet within a few days. If not, there will have to be another postponement.

HOW AMERICANS CHOOSE THEIR CUP DEFENDERS

Marble Head Mass., Aug. 8.—Thirteen Southerly yachts began a week's struggle today for three places on the American team that will meet the Spanish boats next week in the international races for the President Taft and Governor Draper cups. The yachts will sail in two divisions and will be given three twelve-mile races a day until Thursday night, when the regatta committee of the Eastern Yacht Club, by an elaborate system of points, will eliminate all but three in each division. The survivors will then race three days more to determine the committee may fairly determine the three best boats. It is expected that the Spaniards will arrive at Marble Head before the trials are concluded.

PICKING A BOAT FOR SPANIARDS

Elimination Trials for Spanish-American Southerly Yacht Races Opened Off Marblehead Yesterday—Winds Were Light.

Marble Head, Mass., Aug. 8.—The Harpoon, owned by C. F. Adams 2nd, and the Clma, owned by Guy Lowell, both of the Eastern Yacht Club, carried off the honors today in the first day's racing of the elimination trials to determine the three American contestants in the Spanish-American schooner yacht races to be sailed off this port next week. They came in winners in their respective divisions in each of the two races held today. While conditions were of the lightest character, there were no lucky streaks and under these equal circumstances the Harpoon made the better elapsed time in four of the five legs, and was generally considered to have made the better showing. The Lady, owned by R. Deb Boardman, and the Beaver, owned by C. H. W. Foster, both of the Eastern Yacht Club, won second place in their respective divisions in each race. The elapsed time showed the Lady a little in the lead for second place.

The regatta committee arranged a system of points for the series, which will continue for all the boats for four days, giving the leading boat in each race a zero mark, with one for the second boat, two for the third, and so on. The Harpoon and the Clma came into the harbor this afternoon with clean sheets, while the Lady and the Beaver had two marks each. The work of the other nine starters was so variable today, under the light sailing weather, that the owners are very anxious for what old sailors call, "a breeze of wind." Under such circumstances some changes in the standing are anticipated.

WINNER MAY MEET CHAMP

Langford and Kaufman Meet in Philadelphia Wednesday. Winner Has Right to Challenge Jack Johnson.

New York, N. Y., Aug. 7.—"We have decided not to post \$20,000 as a forfeit and side bet for a fight with Jack Johnson until after Langford's bout with Kaufman in Philadelphia next Wednesday night," said Langford's backers yesterday. "We haven't the slightest doubt that Langford will beat Kaufman decisively, but in order to corner Johnson more effectively we believe the best time to post the \$20,000 is after the Philadelphia scrap. Langford is going after Kaufman as soon as the first gong sounds and will do his best to score a knockout."

This Langford-Kaufman affair is of much importance to both men. A clean cut victory to either means the right to challenge Johnson for the world's heavyweight title unless Bill Turner, Australian, and Grigor, champion, should happen to beat Stanley Ketchel at the Fairmount A. C. next Friday night. Then Lang would be entitled to a battle with the winner of the Langford-Kaufman scrap, which would pave the way for a big scrap with Johnson later on.

Langford who is absolutely confident of whipping Johnson, regards Kaufman as a stepping stone. On pugilistic matters, however, Kaufman, who is believed to be the best white heavyweight in the world, may be a hard proposition for Langford to beat in six rounds.

Kaufman is a long distance pugilist, slow, methodical, sane, scientific and a terrific hitter. He is 6 feet 11 inch, 24 years old and weighs 210 lbs. He was matched to fight Langford in San Francisco last June, but the battle was declared off when Gov. Gillett drove the Jeffries-Johnson fight out of California. For the original battle Langford was a favorite which he will probably be the case when he meets the former at Shibe park Wednesday night, but Kaufman, confident in June, is still harboring the belief that he can at least outpoint the Nova Scotian. Kaufman has lost only one fight. He was knocked out in 17 rounds by Philadelphia Jack O'Brien five years ago, when the latter was in his prime and the big Californian was merely a greenhorn. Last winter Kaufman met O'Brien in a six rounder but in Quakerville and easily outpointed him, at the same time convincing everybody that in a longer battle he could score a knockout.

Bobby Wallace Is Still a Great Player

BOBBY WALLACE.

When it comes right down to brass tacks and you get to picking the star players, you have to slip one of the honorary badges to Rhoderick so we will call him Bobby. Chorus now, "We all know him."

Just at present Wallace is dividing his time between third-basing and short-stopping for the St. Louis Browns. The Browns are not doing much in the American League race, but it isn't any fault of Wallace. This veteran of the diamond is playing about as good ball now as he ever did, and believe me that spells grand. Wallace started in the game as a pitcher with the old Cleveland Spiders under Pat Tebeau. As a pitcher he wasn't much weight, but he could hit the ball. When "Chippy" McGarr became ill one day Tebeau put Wallace on third base. He became one of the greatest third sackers in the business.
