What Mothers Say of Baby's Own Tablets

Once a mother has used Baby's Own Tablets for her little ones she will use no other medicine. She quickly realizes the Tablets are an absolutely safe remedy and one that will give sure results. Concerning them Mrs. R. L. Wright, Pennabill, Sask., writes: "I have used Baby's Own Tablets for my three babies and think so much of them that I always keep them in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Are You SURE You Drink PURE MILK?

Do you know the source of your milk supply—how it is produced—how it is handled? These are important questions, so closely are they connected with human health. Nothing takes and breeds disease germs quicker than milk: many epidemics of typhoid, diphtheria, scarlet fever and other contagious diseases have been traced to milk which became infected from diseased cattle, diseased farmers or farm help, or through unclean methods of handling.

Primecrest Farm Pure Milk comes from clean, healthy, inspected, tuberculin testing cows, and is GUARANTEED FREE FROM DISEASE. It is drawn through sterilized gauze, handled in sterilized pails and cans, is scientifically cooled to further prevent disease, and DELIVERED IN STERILIZED, SEALED GLASS JARS.

At 9c a Quart

The barn staff are personally clean, perfectly healthy and pass regular health inspection. They wear clean, white duck suits while milking, and wash their hands after they milk each cow.

Superintendent H. H. WOOD, Graduate Amherst, Mass., U. S. A. Agricultural College.

Phone us now and arrange to start next month with a daily supply of Primecrest Farm Milk.
