Vegetable Kingdom, are governed by vital force, which binds all the springs of existence, and as nothing can save them from destruction when this principle leaves them, the discovery of means whereby vitality may be sustained in the living body is indeed a boon to the world

Modern Chemistry has ventilated the question and discovered the ingredients constituting the brain, muscles and nerves, and finds that by introducing these ingredients in proper proportions the brain and nervous system are strengthened.

This, then, is substantially the basis on which Fellows' Hypophosphites is built, its direct action is upon the blood, the brain and nervous system, and the muscles. Strengthening the Nerves, it causes the rapid distribution of vitalized blood in the Muscular Organs of the Body.

As this is entirely distinct and different from every other preparation of Hypophosphites, be careful to sak for Fallows

trengthening the action of the Stomach at lowels, and enabling the Lunge to be ful affact with Oxygen.
