Went Almost Around The World

Spent over Five Thousand Dollars Seeking Health—Restored by Tanlac

Like the man who went to Alaska in search of gold, leaving a lump of the precious metal worth a fortune lying under his doorstep, thousands told the country annually seeking relief from their many ills. The health resorts are thronged, the hospitals filled, and millions of dollars are spent by those suffering from stomach trouble and the many complications resulting from it when, if they would only believe it, relief often lies within, if they would reach out and at a cost almost too small to mention.

The evidence regarding the value of Tanlac in the treatment of all forms of stomach trouble is too conclusive to even admit of doubt. In every city, town and community throughout the United States and Canada there are many living, enthusiastic witnesses to the merit of the Master Medicine. One of the most interesting of the many statements recently received was made by Mrs. W. A. Southerland, residing at 530 South Street, Springfield, Ill. Mrs. Southerland, is one of the best known and respected women of Springfield. She said:

"What Tanlac has accomplished in my case has been the most complete surprise of my life. I can hardly find words to express the gratitude I really feel over what it has done for me. I had been suffering from stomach trouble and nervousness for eleven years and have been treated by some of the best specialists not only in this country, but also in London, England, and Old Mexico. We have traveled almost around the world, and spent over five thousand dollars trying to get my health restored but nothing ever helped me. In fact I kept getting worse until I began taking Tanlac. I suffered almost beyond words to express from cramps and pains in my stomach after every meal, and was so nervous that I just trembled all the time. I could find no comfortable position at night, my head throbbing, and when morning came I felt exhausted."

"Some of the specialists called my trouble nervous indigestion, anyway I could not even eat milk-toast without suffering and for a long time I lived almost entirely on milk. When we came back to Springfield I was so discouraged and down-hearted that I told my husband there was no use trying any longer, that there was no help for me. About this time I began reading what others said Tanlac had done for them and decided to try it as a last resort. Well, I soon had a good appetite, got so I could digest my food and my suffering ceased. So I bought more Tanlac and a few bottles have completely restored my health, and not only myself, but my husband and all who knew of my dreadful condition, have been surprised at the results I have gotten from Tanlac. I am never the least bit nervous any more, never know what it is to have a restless night, and enjoy three good meals a day and never have a pain or an uncomfortable feeling afterwards. I no longer have that tired worn-out look with that full swarthy color, but my complexion has cleared up and I look and feel like a different woman altogether. I am making this statement because I want the people who may be suffering as I did to know they can get relief without traveling the world over as I did. I can never praise Tanlac enough."

Tanlac is sold in Kitchener by E.O. Ritz & Co., in Galt by R.W. Meikleham, in Hespeler by J.M. R. Phin, in New Hamburg by W.H. Boulee in Milbank by R.E. Hamilton, in West Montrose by A.E. Richert & Co., in Preston by H.L. Frick, in Waterloo by A.B. Jones, in Thamesville by T.C. Balfour.

Young Man Died Very Suddenly

SUDDEN DEATH OF ELDON SCHLITT

There passed away this morning about 11 o'clock a popular and well known young man in the person of Eldon Adam son of Mr. and Mrs. Wm. Schlitt, William Street after only a few hours illness.

The deceased who was in his 21st year was apparently in his usual health yesterday and attended to his duties around his father's shop. During the night he complained of feeling unwell and a doctor was immediately summoned but in spite of the very best medical attention and care he passed peacefully away this morning. He was a bright young man with a kindly disposition that made him friends wherever he went and his passing away will be learned with deep regret.

To mourn his loss there are left a sorrowing father and mother three brothers, Wilbert, Edward and Milton, and two sisters Olive and Alma and to them the sympathies of the community are extended in this their hour of sore affliction.

The funeral arrangements will be announced later.

PARTLY OVERCOME BY GAS
Mr. and Mrs. Fred Pym and family had a narrow escape from asphyxiation last night while the children are feeling the effects of the gas no danger is anticipated. One of the children awoke during the night and asked for a drink and when the parents arose a strong smell of gas was not noticed. Had the child not awakened serious results might have occurred.

MOTOR CYCLIST TOOK HEADER
A local young man while trying to manipulate a motor cycle on Erb street this morning became confused and gaining speed every foot he travelled he was destined to break all records. He passed safely over King street and then decided to vacate the machine. Machine and boy were spilled all over the road the rider escaping injury. When the pieces of the motor cycle were picked up a hike was made for a nearby garage where the machine will be repaired if possible. It is said the morning papers were delivered before the accident happened.

MORE BOYS ARRIVE
Two more boys were welcomed home this morning by the reception committee and local citizens, they being Herbert Klippert and Walter Mielke.

W. A. SCHMIDT WINS FIRST HONORS

Oratorical Contest Best in History of Waterloo College

The Waterloo Library Hall was comfortably filled last night, the occasion being the oratorical contest of the students of the Waterloo College, and the addresses of the five contestants were a revelation to those present. There was no set of rules governing what the students were to speak on, that being left to them and it is to their credit that each and everyone spoke on a subject that was familiar to the majority of the audience. The different discourses were masterly, they being well delivered and full of valuable information and not once during the oration did the audience lose interest so captivated were the contestants.

The Judges had a hard task in deciding the winner of the prize donated by a former Dean, Rev. Prof. P. A. Leary, but when the announcement was made by Mr. B. W. N. Grigg, who acted in the capacity of Judge in conjunction with Rev. McKencher and Mr. B. B. Playford, that Mr. W. A. Schmidt had been awarded first honors, the audience enthusiastically applauded the decision being a popular one.

As Mr. Grigg stated the task of deciding was a difficult one, the contestants being as evenly matched as it was possible and while all could not win, they had acquitted themselves remarkably well. It was a revelation to him to hear such excellent talent and he predicted a bright future for each and every one of them.

In summing up the points, it was found that student, Nierlich was within one point of the winner and he received hearty commendation from the judges for his excellent oration. The students taking part

and the subjects of their address were as follows:

Student Schmidt—William Ewart Gladstone.
Student Homuth—India.
Student Nierlich—Abraham Lincoln.

Student Kirohofer—Australia.
Student Wittig—Sir John A. Macdonald.

During the evening a fine musical programme was given, those taking part being: Vocal solo by Miss Sipple; violin solo, Rev. Voelker; Preston; Ladies' Double Quartette of St. John's Church Choir, and a piano solo by Mr. Fred Lincke, all of which were well rendered and enthusiastically received. The accompanists were Mrs. Dr. F. J. Weidenhammer and Prof. Lincke.

Prof. Little of the Seminary acted as chairman and the proceedings were opened with the singing of O Canada, and closing with the National Anthem.

REXALLS IN LEAGUE

At a meeting held in Preston last night the inter-county Junior Baseball league schedule was drawn up and the results of town are going right out after the cup and will have as their opponents in the opening home game the Hespeler team.

Owing to Saturday being Victoria Day the weekly market will be held on Friday.

Mr. R. Anderson of Toronto was a business visitor in town yesterday.

Mr. and Mrs. F. Blaine of Ottawa have returned home after spending several days with friends in town.

SUCCESSFUL SMOKER

A most successful smoker was held in the new quarters of the Waterloo Club the former Lewis House last evening there being a fine attendance of members present. The present quarters while not as convenient as the former Club House on Erb street are well adapted for the purpose and the members felt right at home last evening. The billiard room and are light and airy. The rooms are fitted up in a most convenient style and fully answer the purpose for which they are intended.

MRS. CHR. MORT PASSES

The sad death took place yesterday of Emma beloved wife of Mr. Christian Mort Essen Street at the early age of 39 years 11 months and 25 days. The deceased has been seriously ill the past few days and while her death was not unexpected it will come as a great shock to her many friends. The late Mrs. Mort was born in Norway in 1880 but for some time has been residing in Hanover. About two months ago with her husband, she removed to Waterloo and although
