

## HUSBAND SAVED HIS WIFE

Stopped Most Terrible Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Denison, Texas. — "After my little girl was born two years ago I began suffering with female trouble and could hardly do my work. I was very nervous but just kept dragging on until last summer when I got where I could not do any work. I would have a chill every day and hot flashes and dizzy spells and my head would almost burst. I got where I was almost a walking skeleton and life was a burden to me until one day my husband's step-sister told my husband if he did not do something for me I would not last long and told him to get my medicine. So he got Lydia E. Pinkham's Vegetable Compound for me, and after taking the first three doses I began to improve. I continued its use, and I have never had any female trouble since. I feel that I owe my life to you and your remedies. They did for me what doctors could not do and I will always praise it wherever I go." — Mrs. G. O. Lowery, 419 W. Monterey Street, Denison, Texas.

If you are suffering from any form of female ill, get a bottle of Lydia E. Pinkham's Vegetable Compound, and commence the treatment without delay.

## Russians Capture One Thousand Germans

Petrograd, July 23rd. — The Russians yesterday attacked the Germans Krevo and Vina, north of the Pinsk marshes, and penetrated the front lines for a distance of two miles, according to an official announcement made today. The Russians captured more than 1,000 Germans, but the developments of success, the statement adds, are jeopardized by the weakness and instability of certain Russian detachments.

This is to certify that fourteen years ago I got the cords of my left wrist nearly severed, and was for about nine months that I had no use of my hand, and tried other liniments, also doctors, and was receiving no benefit. By a persuasion from a friend I got MINARD'S LINIMENT and used one bottle which completely cured me and have been using MINARD'S LINIMENT in my family ever since and find it the same as when I first used it, and would never be without it.

## LOAN FOR RUSSIA

WASHINGTON, July 25 — Loans of \$75,000,000 to Russia and \$60,000,000 to France today brought the total sum advanced to the Allies within the last three months up to \$1,528,000,000.

## MEMORY SYSTEM

Forgot each kindness that you do  
As soon as you have done it;  
Forgot the praise that falls to you  
The moment you have won it;  
Forgot the slander you hear  
Before you can repeat it;  
Forgot each slight each spite, each sneer,  
Whenever you may meet it.

Remember every kindness done  
To you, whatever its measure;  
Remember praise by other won,  
And pass it on with pleasure;  
Remember every promise made  
And keep it to the letter;  
Remember those who lend you aid,  
And be a grateful debtor.

Remember all the happiness  
That comes your way in living;  
Forgot each worry and distress,  
Be hopeful, and forgiving;  
Remember good, remember truth,  
Remember Heaven's above you,  
And you will find, through years and youth,  
True joys and hearts to love you.

Mr. Lloyd George has left no doubt as to what Britain's answer is to the German Chancellor's speech. There will be no peace with Junkerdom and military autocracy. That does not enter into Allied calculations.

## GERMAN SHIPYARD

COPENHAGEN, July 23 — A strike agitation has begun among workmen in the shipbuilding industry particularly metal workers at Hamburg. They demand a reduction of working hours to fifty-two weekly and an increase of fifty per cent. Women workers also have formulated demands.

The movement is due largely to the increased cost of necessities, but radical Socialist agitators also are playing a part.

## THEY FEWE

(Pack)  
A fly and flee in a flue  
Were imprisoned. Now what could they do?  
Said the fly: "Let us flee!"  
"Let us fly," said the flea—  
So they flew through a flaw in the flue.

## TAKEN AT HIS WORD

A well-known Brooklyn clergyman in a talk to his Sunday School urged the children to speak to him whenever they met. The next day a dirty faced urchin accosted him in the street with, "How do, doc?"

The clergyman stooped and cordially inquired, "And who are you, sir?"  
"I'm one of your little lambs," replied the boy, affably, "Fine day!" And tilting his hat to the back of his head, he swaggered off, leaving the worthy divine speechless with amazement—Democratic Telegram.

The sad-looking man at the corner table had been waiting a long time for his order. Finally his waiter approached, and with a flourish, said:

"Your fish will be coming in a minute or two now, sir."  
The sad man looked interested.  
"Tell me," he said, "what bait are you using?"

## The Need of Union

J. W. Daffoe, Editor of the Winnipeg Free Press, the foremost Liberal newspaper of Canada, wires his paper from Ottawa favoring a general election, and pointing out the danger of it unless there is a solidification of the forces in both parties favorable to a sustained effort to win the war. In that despatch Mr. Daffoe says:

"The dissolution of Parliament will break the spell which binds the wills and consciences of men. The great winds of reality will blow away the mists and fogs, and the issue of the campaign will rise before us as clear and distinct as the Rocky Mountains. Influences far stronger than these contemptible feelings of jealousy and partisanship which sway men's minds in this hour of indecision will come into play. The electors will line up on one side or the other in most fateful decision that Canada will ever be called upon to make. The question to be decided will be simple and plain. Shall Canada continue in the war as a principal, thus accepting an obligation in character and degree identical with that borne by every other nation in the war—the duty of participating in this war to the last ounce of our available strength? Or shall Canada define her position in the war as simply that of a contributor and declare that she has done enough leaving the issue of the war to be determined by the further sacrifices of the belligerents? Or to put it plainer—are we going to stay in the war or are we going to sneak out of it?"

"Those who favor the latter course will undoubtedly come together during the campaign, whatever their differences upon other questions. They will all be in the same boat, shirkers, slackers, cranks, anarchists, pro-Germans, together with those on constitutional grounds, which appear to them reasonable, oppose participation by Canada in what they regard as a European war. If these forces have distinguished leadership, which is probable; if they assert their claim to the title Liberal, which they will certainly attempt to do; and if they open the campaign with solid racial support which assures them at least sixty seats in Parliament, it must be apparent to all that the battle will be severe, with the issue in doubt unless there is an equal solidification of the forces in Canada that are for the war. In that event, but only in that event, will there be no doubt of the result.

"Canadians who are awake to realities will know what the issue means. It may influence conceivably the outcome of the war; it will directly effect the well-being and the reputation of our troops at the front; and it will put the honor of Canada, in the eyes of her allies and in the judgement of posterity, in the balance."

The following authenticated story is going the rounds: The telephone bell rang with anxious persistence. The doctor answered the call.

Yes, he said.  
Oh, doctor, said a worried voice, something seems to have happened my wife. Her mouth seems set and she can't say a word.

Why she may have lockjaw, said the medical man.

Do you think so? Well, if you are up this way some time next week I wish you would step in and see what you can do for her.

## A "BLOOD AND IRON" POLICY TO BE PUT INTO EFFECT

Relying Upon the Confidence of the Masses and the Army, the Krensky Government Will Endeavor to Save Russia and Russian Unity.

PETROGRAD, July 24 "A blood and iron" policy will be put into effect if needed to save Russia, by the government of Premier Krensky, to which unlimited power has been granted. In an interview today the Premier said:

"Relying upon the confidence of the masses and the army, the government will save Russia and Russian unity by blood and iron if argument and reason, honor and conscience, are not sufficient. The situation at the front is very serious, and demands heroic measures. But I am convinced the organism of the state is sufficiently vigorous to be cured without a partial amputation."

COPENHAGEN, July 23—The Austrian-German flood in Eastern Galicia has been turned southward in endeavors to get to the rear of Russian armies between Brzezany and the Dniester, Austrian correspondents at the front report in despatches to their newspapers. The Teutonic forces engaged in this operation, they declare, have reached Koseva, ten miles east of Brzezany, which is in Austro-German hands. The Koseva-Tarnopol railway has been crossed by them in several places. Those despatches forecast the Russian army's stand behind the Sereth and reiterated the reports that Tarnopol was in flames.
