Those who have had an opportunity of hearing Rev. Dr. Black speak predict a treat for those who attend the lecture to be held this evening in the Presbyterian church. The subject will be "American Humor." No one should be absent who can possibly attend.

The latest thing in Men's Caps. See window, Glasgow House.

The Pique Jubilee Singers were great, and by a large audience last Wednesday evening, College Hall being filled. The entertainment was superb. Their selections were all enclosed, some of them twice and some three times. Everyone present was delighted with the performance.

Union meetings are to be held in the Methodist church next week at 8.30 o'clock every afternoon except Saturday. The object is to prepare for the work of Evangelist Gale, which begins on Sabbath, the 21st. The meetings are to be quite informal, and everyone is invited to attend.

The junior Wolfville hockey team drove to Canning on Thursday evening of last week, and again tried conclusions with their Canning rivals, the latter being victorious by a score of 7-1. The Wolfville boys got their feet wet going over, to which misfortune they attribute their defeat. The rubber will be played in the Wolfville rink some time soon.

Notes by the Way.

A valued correspondent has sent to us the following interesting items. We extend our thanks and hope that other friends throughout the county may help in a similar manner:

The neighbors of Mrs J. Franey, at Weston, gave her a wood-hauling last Tuesday.

A party of Berwick sportsmen were out in the South Woods last week, caribou hunting.

Pastor Glendenning has recently been holding evangelistic services at Harborville. As a result several have been added to the church there.

The account of sales of apples—the farmers' shipment in S. S. Nov. is unfavorable.

Pastor J. B. Morgan baptized five candidates for membership into the Upper Aylesford Baptist church, Feb. 28th, and three on March 7th.

Messrs Ross, Martell and Freeman, Acadia students, conducted a missionary service at Berwick last Sunday. They gave much valuable and interesting information in regard to the rise and progress of the "Students' Missionary Volunteer Movement," etc. Their audience was a very appreciative one.

In the Windsor Baptist church on the 7th inst., the pastor baptized 27 persons. A house, barn and outbuildings were burned on Monday night last at South Farmington, Annapolis Co. The cause of the fire was the upsetting of a lamp on the haymow.

Acadia's Mock Parliament.

The first regular session of Acadia's mock parliament was held last Saturday evening. The speech from the throne was read by the speaker, the policy of the government being briefly outlined. It embraces a protective tariff, franchise reform, legislation for the prohibition of the manufacture and sale of intoxicants, and other matters. The reply to the address was moved by Mr W. S. Hall, M. P. for Halifax, in a neat speech, and was seconded by Mr Elliot, M. P. for Lunenburg, who also made a telling address. Hon. W. Ferris, leader of the opposition, in a vigorous address replied, energetically attacking the policy of the government. When the speaker left the chair at 9 o'clock, Hon. Mr Simpson, Minister of Public Works, had the floor. The next session will be held to-morrow evening. A lively interest is being manifested.

C. F. & F. E. Eaton have one of their barns about half in frame at Parrboro, and the keel of the other one they are building is being laid. The greater part of the timber for these vessels is now in their yard at Riverside, Parrboro, Captain Vere Roberts has his schooner nearly in frame.

The game laws of the province remain the same as last year. Some changes proposed in a bill brought before the legislature failed to pass.

A branch of the Epworth League was organized in connection with the Methodist church on Tuesday evening.
