The sleeve may be in waist or elbow length. The skirt is finished with pockets, and is a three-piece model. Striped seersucker, checked gingham, or a neat pattern of percale would make this up nicely for a morning dress. It could also be developed for business or street wear in taffeta, gabardine, poplin, voile or serge. The waist, collar and facings to be of matched satin. The pattern is cut in 6 sizes: 34, 36, 38, 40, 42 and 44 inches bust measure. It requires 7½ yards of 36-inch material for a 36-inch size. The skirt measures about 3 1-3 yards at the foot. 1629—Just the thing to make "in a hurry" and to find convenient and comfortable ever after. The style is nice for gingham, seersucker, alpaca, sateen, lawn, linen, drill and percale. The body portion has ample fullness, and the strap extensions secure the back over the fronts. In warm weather, this style will be much appreciated, for it does away with any superfluity of material, and at the same time secures ample protection for the dress beneath and is comfortable. The pattern is cut in 3 sizes: small, medium and large. It requires 5½ yards of 27-inch material for a medium size. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

chambray, linene, corduroy or pique would be very attractive, especially if vest, collar and cuffs were of contrasting material. The waist fronts are trimmed with revers that form a broad collar over the back, and outline the vest portions which complete the fronts. The skirt is plaited under the belt. The sleeve may be finished with a deep cuff, or in short length, with a turnback cuff. The pattern is cut in 4 sizes: 8, 10, 12 and 14 years. It requires 5½ yards of 44-inch material for a 12-year size. A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.

Advices The Use Of "FRUIT-A-TIVES", The Famous Fruit Medicine.

MR. ROSENBERG
589 Casgrain St., Montreal.

April 20th, 1915.

"In my opinion, no other medicine in the world is so curative for Constipation and Indigestion as 'Fruit-a-tives'. I was a sufferer from these complaints for five years, and my sedentary occupation, Music, brought about a kind of Intestinal Paralysis—with nasty Headaches, belching gas, drowsiness after eating, and Pain in the Back. I tried pills and medicines of physicians, but nothing helped me. Then I was induced to try 'Fruit-a-tives', and now for six months I have been entirely well.

I advise any one who suffers from that horrible trouble—Chronic Constipation with the resultant indigestion, to try 'Fruit-a-tives', and you will be agreeably surprised at the great benefit you will receive". A. ROSENBERG.

Rheumatism

A Home Cure Given by One Who Had It

In the spring of 1893 I was attacked by Muscular and Inflammatory Rheumatism. I suffered as only those who have it know, for over three years. I tried remedy after remedy, and doctor after doctor, but such relief as I received was only temporary. Finally, I found a remedy that cured me completely, and it has never returned. I have given it to a number who were terribly afflicted and even bedridden with Rheumatism, and it effected a cure in every case. I want every sufferer from any form of rheumatic trouble to try this marvelous healing power. Don't send a cent; simply mail your name and address and I will send it free to try. After you have used it and it has proven itself to be that long-looked-for means of curing your Rheumatism, you may send the price of it, one dollar, but, understand, I do not want your money unless you are perfectly satisfied to send it. Isn't that fair? Why suffer any longer when positive relief is thus offered you free? Don't delay. Write to-day Mark H. Jackson, No. 3200 Gurney Bldg., Syracuse, N.Y.

Mr. Jackson is responsible. Above statement true.—Pub.
