

Photo Seminar

Friday at 3:00 pm.

Final Year Commerce and M.B.A. Students

Today, the Chartered Accountant plays one of the most exciting roles in business management, tackling complex and fascinating problems.

For the professionally-trained, the scope is limitless.

Discuss career opportunities with Clarkson, Gordon representatives, on campus

Nov. 17-20

Appointments should be made through the Student Placement Office.

Nov. 20 will be set aside for students interested in employment in Calgary.

Anklers? Isn't that with fish?

Upcoming Deadlines

Waterpolo Polo
Tues. Oct. 21; 1 p.m.
Swimming & Diving
Tues. Oct. 28; 1 p.m.
Basketball
Tues. Oct. 28; 1 p.m.

Bicycle Repair & Maintenance Clinic

Interested in repairing your beat-up 10 speed? Maybe you want to buy a new one? Then do not miss this opportunity to learn about bicycles.

On Sat. Oct. 25, from 10 a.m. to 2 p.m. a bicycle clinic will be held in Rm. 126 of the P.E. bldg. There is no fee for this clinic. Just bring yourself and enthusiasm. Register at the Men's Intramural Office, Rm. 24, P.E. Bldg.

Beginners Hockey Clinic

Here is an opportunity to improve your skating, puck-handling and knowledge of hockey. Dale Henwood and Kevin Primeau (and other members of our glorious Golden Bears) are kindly offering their time and expertise to teach "beginners" the sport of hockey.

The clinic will run Tues., Oct. 21 and Thurs. Oct. 23, from 7:30 - :00 p.m. at the University Arena. Registration, limited to the first 30 people, closes Friday, Oct. 17. Participants

must supply their own skates and sticks. Gloves and helmets will be supplied as required. If you "beginners" are interested, contact the Men's Intramural Office, Rm. 24 P.E. Bldg.

Waterpolo

For all you swimmers here is an opportunity to get your trunks out of mothballs. The waterpolo league will soon be underway, with registration ending at 1 p.m. Tues., Oct. 21.

Each unit may enter one team. If you do not have a team to play on, contact the Men's Intramural Office, Rm. 24, P.E. Bldg. and we will find a spot in the water for you. All games will be held from 7:00-11:00 p.m. on week nights. See you there.

Basketball League

The entry deadline for Basketball is Tues., Oct. 28 at 1 p.m. in the Men's Intramural Office, Rm. 24 of the P.E. Bldg. The League will have three divisions based upon skill level. Thus experts and beginners can play. The league starts on Tues.

Nov. 4 and ends on Dec. 3, with games being played on Monday, Tuesday and Thursday of each week. Most teams will play one night per week.

Contact the Intramural Office for further information.

Intramural Hockey

The ice is in, pads are coming out of closets and sports shops are making a killing. Hockey season is here again. Intramural hockey, division I and "anklers" begins Oct. 27. Division II & III starts on Jan. 5.

The division structure allows anyone to play hockey as the basis of the structure is skill. For those people not presently on an intramural team, desiring to play, please contact your unit manager or the Men's Intramural Office.

Games will be played on Monday, Tuesday, Thursday and Sunday evenings and Saturday mornings and afternoons. Please check the Official Schedule for playing times.

The Intramural department supplies all equipment excluding sticks, skates and athletic support.

NOTE: A student can only receive health services or medical coverage for teeth injuries sustained in Intramural Hockey if the mouthguard was provided by University Health Services.

These mouthguards are provided free of charge by the University Health Services for all students on Thursday mornings of each week. Get one if you like your teeth as accidents do happen.

Texas Instruments slide rule calculator SR-50A

\$124.⁹⁵

* Performs all classical slide rule functions - simple arithmetic, reciprocals, factorials, exponentiation, roots, trigonometric and logarithmic functions, all in free floating decimal point or in scientific notation.

* Features an algebraic keyboard with single function keys for easy problem solving.

* Memory allows storage and recall of numbers, features sum key for accumulation to memory.

* Calculates answers to 13 significant digits; uses all 13 digits in subsequent calculations for maximum accuracy

* Converts automatically to scientific notation when calculated answer is greater than 10¹⁰
